Acknowledgement
ACKNOWLEDGEMENT

There is not a more pleasing exercise of the mind than gratitude.
It is accompanied with such an inward satisfaction that the duty is sufficiently
rewarded by the performance.....

The author expresses her sincere and reverential gratitude to Dr. T.S. Avinashilingam, the founder and first Chancellor of Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore and Padmashri Dr. (Mrs.) Rajammal P. Devadas, Former Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for their heavenly blessings.

The author owes her heartfelt gratitude to Late Thiru. T.K. Shanmuganandam, Former Chancellor and Dr. T.S.K. Meenakshisundaram, Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for all the amenities provided for the conduct of the study.

The author is highly indebted to Dr. (Mrs.) Saroja Prabhakaran, Former Vice-Chancellor and Dr. (Mrs.) Sheela Ramachandran, Vice Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for extending all possible help towards the completion of the study.

The author expresses her deep sense of gratitude to Dr. (Mrs.) Gowri Ramakrishnan, Registrar, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her immense help for the smooth conduct of the study.

The author also records her sincere thanks to Dr. P. Santhanakrishnan, Director, Research and Development, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for his constant support in all the activities.
The author expresses her deep sense of gratitude to her supervisor **Dr. (Mrs.) R.Parvatham**, Dean, Faculty of Science, Professor and Head, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her patience, motivation, enthusiasm and support. Her guidance has helped the author in every step during the research tenure. The author could not have imagined having a better advisor and mentor for her Doctoral study.

The author sincerely thanks **Dr. (Lion) K.S. Rangasamy**, Chairman and **Mrs. Kavitha Srinivasan**, Executive Director, **K. S. Rangasamy**, College of Arts and Science, Tiruchengode, for permitting her to complete her research studies. A special note of thanks to **Dr. N.Kannan**, Principal, K.S.Rangasamy College of Arts and Science, Tiruchengode, for encouraging and granting permission to complete her research studies.

Sincere thanks are due to **Mr. N.S. Ponnusamy**, Senior Executive (Public Relations) and **Mr.K. Shanmugam**, General Manager (Environmental), Seshasayee Paper Boards (Pvt) Ltd., Erode, for helping the author with effluent and pulp sample whenever needed.

The author places on record her heartfelt thanks to **Dr. (Mr.). G.Saravanan**, Assistant professor, Department of Biochemistry, K.S.Rangasamy College of Arts and Science, Tiruchengode, for his constant help and valuable suggestions rendered throughout the study. Sincere thanks are due to the **faculty members** in the Department of Biochemistry, K.S.Rangasamy College of Arts and Science, Tiruchengode, who rendered helping hands in carrying out the present work.

The author extends her heartfelt thanks to **Dr. (Mrs.) P.R.Padma**, Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her valuable suggestions towards the completion of the study.
The author wishes to thank Dr. R. Nirmala Devi, Assistant Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinahilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her extensive moral support during the course of the study.

The author earnestly thanks A. Indhulekha, Assistant Professor, Department of Biotechnology, Kongunadu College of Arts and Science, Coimbatore, and Ms. Radha Palaniswamy, Research scholar, Department of Biochemistry, Biotechnology and Bioinformatics for their timely help during the course of this study.

Words are inadequate to express her sincere thanks to her students Dr. K. Gopianand, Dr. S. Basirudeen and Mr. E. Thirunavukkarasu for their invaluable support and kind help offered during the completion of the work.

Sincere thanks to Mr. D. Jegadeesh Kumar, Chromepark, Namakkal, who provided valuable suggestions for carrying out the present work. The author wishes to thank all her friends, relatives and well wishers who have extended their valuable support during the course of the study.

Last but not the least, the author would like to thank her parents whose constant inspiration and guidance kept her focussed and motivated. She is grateful to her father for giving the life and its values she ever dreamt. She cannot express her gratitude to her mother in words, whose unconditional love with most positive approach has been her greatest strength.

The author expresses her deep sense of gratitude to her husband, Mr. N. Thangavelu for the unconditional sacrifices, encouragement and moral support that helped her to fulfill this goal in her life. The author owes her loving thanks to her kids Surya and Vidya for their smile which inspired to complete the work on time. Their love and charming words have upheld, particularly in those many times in which the author spent more time with the computer than with them.

Finally, greatest regards to the Almighty for bestowing upon the author the courage to face the complexities of life and complete this project successfully.
