Acknowledgement

I wish to express my sincere and profound gratitude to my esteemed supervisor, Dr. Y.P. Sharma, Professor & Chairman, Department of Physical Education, Himachal Pradesh University, Shimla-5. It was due to his continuous guidance, illuminating suggestions, encouragement and keen interest during the course of study that the researcher was able to accomplish the present research work.

I feel great pleasure in expressing deep gratitude to Dr. Shyamal Koley, Reader, Department of sports medicine and physiotherapy, Guru Nanak Dev University, Amritsar, who has been a constant source of inspiration. His goal oriented and valuable guidance during this period has enabled me to achieve the goal of completing this work successfully.

A deep sense of gratitude to Dr. Surinder Sharma, Senior lecturer, Dr. Hari Singh, lecturer, and all faculty members, Department of Physical Education, Himachal Pradesh University, Shimla for providing me help whenever I approached them in connection with my study.

I have no words to express my sincere thanks to especially to Mr. Virender Kanwar, Retd. Principal, Govt. College Paonta Sahib and Mr. Manohar Lal, Vice Principal, B.ed College Malaut (Punjab), who helped me untiringly in connection with analysis of data through computers as well as the help render in correcting the types script of computer. However, I would also like to place on record the timely help of Dr. Nissan Singh Deol, Lecturer in Physical Education, Department of Physical Education, Punjabi University, Patiala, who prepared all programming of the research work with no cost to the undersigned.

I acknowledge with thanks the help extended by Dr. D.S. Bhadwal, Dean Students welfare of H.P. University Shimla-5, and Dr. Lalit Kaul, Lecturer, M.R.D.M. Physical Education College, Bhareri, Distt. Hamirpur for their unreserved co-operation and sincere help that was readily available at all the time.

A lot of thanks to library staff of NSNIS, Patiala and Punjabi University, Patiala for providing the necessary stimulus needed for the completion of my work.
I am earnestly thankful to my Father, Sh. Ashiq Ali, Mother, Smt. Amina Khatun, Brother, Ashraf Ali, Bhabi, Mrs Anjum Ali, Brother, Anwar Ali, Bhabi, Mrs Rabina Begum, Sister, Mrs. Rukshna Parveen, Jiya ji, Sh. Ashraf Ali, Amir, Alisha, Tina, Shavi and Shunnu for their consistent, encouragement and help for completion of this research work. Without their love and blessing I would never have reach this stage.

My deepest gratitude also goes to my parents whose good wishes were a constant source of encouragement.

A special thanks to my beloved wife Mrs. Nisha Ali for providing me help in each and every step of this research work. I record here my warm appreciation she has been repeated source of inspiration ever since.

Many thanks are due to the authors and publishers whose works have provided me with not only useful information but also inspiration and which I have referred in the thesis.

A special thanks to Mr. Babu Ram, Junior Assistant and all the staff members of the Department of Physical Education H.P.U. Shimla, for providing me help from time to time during the course of the study.

Last but not least I would like to place on my sincere thanks to all the lecturers, coaches as well as subjects, who spared a long time for their busy schedule and co-operation me during observations and contributing data for the present study.

Zafar Ali
