ACKNOWLEDGEMENTS

It is my profound privilege and with deep sense of gratitude to acknowledge the scholarly and distinguishable guidance provided by Dr. Amar S. Guleria for supervising this research work. His humane and benign posture to his students makes him approachable-quality so richly solicited for scholarly pursuits. The promptitude with which I received his kind and valuable guidance to my research problem helped me immensely to accomplish the task at hand. His unassuming and in depth guidance has been a source of deep and heartfelt inspiration to me. I concede that I do not, in fact, have adequate words to express the totality of my gratitude for his help. I am also thankful to Mrs. Rajni Guleria for her co-operation and help during the accomplishment of this task at their residence.

I express my sincere thanks to Prof. J.P. Bhati, Dr. D.S. Thakur, Dr. Meenakshi Sooden and other teachers of Department of Economics, Himachal Pradesh University, Shimla for their encouragement during the course of this research work.

I acknowledge my thanks to various department officials who extended their maximum help to supply the relevant information. I am also thankful to Dr. R.L. Bisotra, I.A.S., Director Census Operation, Himachal Pradesh for his encouragement and help extended to complete this research work. I am highly obliged and thankful to Sh.Anil Semwal, Birender Chauhan, Bhupinder Sharma, Nirmala Guleria, Renu Chandel, Anjana Sharma, Babu Ram, Dinesh Kumar and who took keen interest and care while typing the present manuscript.
I am grateful to my mother who encouraged and inspired me at every stage of this piece of research work. I am also thankful to my friends and colleagues who kept me encouraging to accomplish this book.

Finally, I am extremely thankful to my wife Mrs.G.P.Kapoor, son Abhishek Kapoor and daughter Neha Kapoor for their patience, co-operation, encouragement and support.
