ACKNOWLEDGEMENT

I am grateful to Prof. M.K. Rout, D.Sc., Ph.D., Vice-Chancellor, Utkal University for his kind encouragement.

I am indebted to Dr. (Mrs.) N. Pati, Dr. D.C. Pati and Dr. Lalit N. Patnaik for their inspiration and untiring help during the entire period of this work.

My sincere thanks are due to Dr. Satyabrata Misra and Dr. B.B. Mohapatra for their collaboration in certain portions of the work.

I also sincerely acknowledge the helps rendered by Dr. J.N. Kar, Sri S.N. Patnaik, Dr. A.K. Mishra, Dr. Alok Roy, Sri S.K. Mohanty and Sri Sripati Naik during the course of this investigation.

I am thankful to the authorities of Ravenshaw College, Cuttack for permitting me to work in the Chemistry Department and for the laboratory and library facilities.

I am indeed obliged to the authorities of the P.H. Engineering Department, Orissa for permitting me to take up the research work.

The arduous work of preparing the type script by Sri D. Sahoo is duly acknowledged.

I am also indebted to all my family members for their help, sacrifice and bearings without which it would not have been possible for me to complete the work.
