ACKNOWLEDGEMENT

I feel highly obliged in expressing my profound sense of gratitude and indebtedness to Dr. Manu Sood, my Research Supervisor, Department of Computer Science, Himachal Pradesh University, Shimla, for suggesting the problems, extending his invaluable guidance, constant help and encouragement during the entire course of this investigation. His benevolent attitude always encouraged me to overcome the difficulties faced during the course of my study. Without his overall support and guidance, this academic piece of work would never have seen the light of the day.

I am also thankful to Dr. A.C. Vaid, Pro-Vice Chancellor, Apeejay Stya University, Gurgaon for encouragement to pursue research work.

I am deeply indebted to my friends and colleagues Mr. Ajay Sharma, Mr. Gagandeep Sharma, Mr. Naveen Dalal, Mr. Paramjit Singh, Mrs. Monika Sethi, Mrs. Apurva Sharma, Miss. Shweta Panday, Mrs. Shweta Sharma, Mrs. Pooja Mohan, Mrs. Kavalsreet Kaur and Mr. Shamim A. Khan for their help and encouragement during my tough times. A mere thankful will not be enough for all the support they have given me.

I wish to express my appreciation and heart felt thanks to faculty of Computer Science Department, Prof. Arvind Kalia, Dr. K.L. Bansal, Dr. A.J. Singh, Mr. Jawahar Singh Thakur, Mr. Aman Sharma, and Mrs. Ganpati Sharma for their co-operation, moral support and help during my stay in the Department. I would like to express my appreciation to our office and laboratory staff of Computer Science Department, H.P. University, for their kind help especially Sunny, Govind, Manjeet, Nanath, and Pushpa Sharma.

I wish to express my special thanks to my wife Mrs. Meenakshi Kondal for her encouragement, valuable suggestions, all the necessary help, motivation and moral support during the course of writing this thesis.

My humble feelings of gratitude are to my parents, brother and sisters who together kindled in me the flame of eagerness and earnest for learning and to whose encouragement, affection and sacrificial devotion, I sincerely attribute all my successes.

Last but not the least I would like to dedicate this piece of work to my little angel Arushi Thakur who always inspired me to work hard.

Above all, thanks to the Almighty for his guidance and for showing me the right path at the right time.
