Acknowledgement

As this thesis sees the light of the day with the grace of almighty, I find myself at a loss of express my deepest gratitude to her irreplaceable blessing which will help me to complete this work.

I express my deep sense of gratitude and indebtedness to my guide honorable Prof. (Mrs.) Veena Sharma, chairperson Department of Mathematics and Statistics, Himachal Pradesh University, Shimla-171005, for her inspiring guidance, constant encouragement, valuable suggestions and unfailing help. I feel really privileged to have the opportunity of working under such a noble and prudent supervisor.

I am grateful to Prof. RG Shandil, Prof. MG Gorla, Prof. RP Sharma, Prof. J S Dhiman, Prof. Rajesh Sharma, Dr. PL Sharma, Dr. Khem Chand and Dr. Jyoti Prakash Sharma for their help and members of the office staff of the department for their gentle cooperation.

I will be at fault if I do not thank my sincere Radhe and Renu for their constant support, motivation and uncountable help; I admire their distinguished helping nature. My special appreciation goes to both them. Without them it is very difficult to me complete this thesis. I feel obliged to thank Shaloo, Sada Ram, Dinesh and all other friends who knowingly or unknowingly help me to complete this work.

I also express my deepest gratitude to my father Sh. Krishan Lal, mother Mrs. Samsya Devi and mother in law Mrs. Datla Devi, for their silent sacrifices and blessing which are the sources of inspiration to me. I am also thankful to my brothers & brother in law Ashu, Abbu, Mr. Ajay Kumar, Bhabi & bhabi in law Poonam, Mrs. Mamta and nephew &.
niece Pulkit, Tanish and all other relatives for their significant contribution in all spheres of my life.

Last but not least I am thankful to my beloved husband Mr. Arun Kumar and loving son Sanidhya for their unconditional love, care, sincere encouragement and inspiration throughout my research work and lifting me uphill this phase of life. They are source of great inspiration to me, and I would not have made it this far without them. I owe everything to them.
