ACKNOWLEDGMENTS

Although I am sole author of the thesis, I am by no means the sole contributor! So many people have contributed to my thesis, to my education, and to my life. Now it is my great pleasure to take this opportunity to thank them.

I would like to express profound sense of gratitude and indebtedness to my research supervisor Prof. K. Nagabhushan Raju, for his guidance, supervision, untiring cooperation, and constant encouragement during the course of this work.

I would like to express my deep sense of gratitude to Prof. B. Rama Murthy, Head of the Department, Department of Instrumentation, Sri Krishnadevaraya University, Anantapur for his encouragement, help and cooperation.

I record my deep sense of gratitude and respect to Prof. C. Nagaraja, Chairman, Board of Studies, Department of Instrumentation, Sri Krishnadevaraya University, Anantapur for his constant encouragement and constructive discussions.

I record my deep sense of gratitude and respect to Prof. K. Malakondaiah, Retd. Professor of Instrumentation Department, Sri Krishnadevaraya University, Anantapur for his encouragement.

It is my steep pleasure to express my appreciation and thanks to my colleagues and friends Dr. C. Chandra Mouli, Mrs. P. Jyothi, Mr. K. Sai Prasad Reddy, Mr. D. Hanumesh, Mrs. P. S. S. Sushama, Mr. G. Dhanunjaya, Dr. N. Anjulatha, Mrs. V. Sailaja, Dr. R. Lakshmi Narayana, Dr. P. Sudhakar, Dr. S. Siraj, Dr. K Ramesh Babu, Mr. M. Mahesh, Mr. G. Bheemaraj, Mr. B. Vijay Kumar for providing healthy working environment.

I extend my thanks to engineers D. Chandrashekar Reddy and K. Chaithanya Pavan, M/S Megabyte Technologies, Bangalore who helped me in this research journey.

I can never forget the support and encouragement of technical staff Mr. Chandra Sekhar Rao, Mr. Madhusudhana Gowd, Mr. P. Sudarshanam, Mr.V.Obilesu, and Mr.G. Ramakrishna in the Department of Instrumentation & USIC, Sri Krishnadevaraya University, Anantapur.
I am also extremely thankful to all the teaching, non-teaching and technical staff of the Department of Instrumentation & USIC, Sri Krishnadevaraya University, Anantapur for their continuous help and assistance during my research work.

I find no words to express my gratitude to my father K. P. Henry Benyamin mother G. Nancy Hemalatha and my sister K. P. Josphine Priyanka for their faith in me and allowing me to be as ambitious as I wanted. It was under their watchful eye that I gained so much drive and an ability to tackle challenges head on.

Finally, and most importantly, I would like to thank my friends Dr. B. Tanuja Reddy, Dr. Sivarami Reddy, Mr. M Devadas. Their support, encouragement, quiet patience and unwavering love were undeniably the bedrock upon which the past few years of my life have been built.

I would also thank all my teachers and professors, past and present. I would like to thank all those who have helped directly or indirectly in successful completion of my research work.

Pradeep K.P.J.
