ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my research guide, Dr Mahesh V Mudhol, Reader, department of library and information science, Mangalore University for his guidance and encouragement for the successful completion of the present research work.

I am grateful to Dr K S Udupa, professor of statistics, College of Fisheries, Mangalore, for his help in the statistical analysis of the research data. I am indebted to him for his continued suggestions and encouragement.

I am extremely thankful to Dr R Raman Nair, Librarian, Mahatma Gandhi University, Kottayam, Dr Ramasesh C. P. Coordinator, Center for Information science and Technology (CIST), Mysore University, Mysore and Dr Ramakrishne Gowda, Librarian, Kuvempu University, Shimoga for their valuable suggestions and advice at the various stages of my research work.

I offer my sincere thanks to the principal and management of Sri Venkataramanaswamy College, Bantwal, Dakshina Kannada, for permitting me to carry out this research activity. I am thankful to the University Grants Commission for sanctioning Faculty Improvement Programme (FIP) for undertaking my Ph D Programme.

My thanks are also due to Professor A. K. Baradol, Dr D. Shivalingaiah, Professor and Chairman, Dr Khaiser M Khan, Reader and Mr Umesh Naik, Senior lecturer, Department of Library and Information Science, Mangalore University, Mangalore for their encouragement and help during the research study.

I am thankful to Dr M. K. Bhandi, Librarian, Mangalore University Library for his constant valuable support and help. I also thank Dr T. Y. Mallauah, Deputy Librarian for the excellent map and help rendered during the research work. My thanks are also due to all the other library staff of the Mangalore University.
A special word of thanks to my husband Dr H Shivananda Murthy, Director of Extension, Karnataka Veterinary, Animal and Fisheries University, Bidar, Karnataka for all the support and cooperation extended to me throughout the investigation work. I am also thankful to my children Dr K S Lavanya, Mr. Nitin C and Mr. K. S Vikram for their long and sustained endurance. I thank my parents for their help and encouragement during the study.

I thank all my FIP fellows, other professional friends and colleagues and all those who have directly or indirectly helped me in my research work and completion of the thesis.

Date: 21st Oct 07
