ACKNOWLEDGEMENTS

Begins with the name of Almighty Allah the most beneficent and merciful. My all praises are for Almighty Allah, for giving me this glorious opportunity to share my efforts with you in the form of thesis and blessing me with the strength to accomplish this goal.

At this moment of accomplishment, I am deeply appreciative and indeed indebted to my supervisor, Dr. Anwar Shahzad, Assistant Professor, Department of Botany, A.M.U. Aligarh, for his valuable suggestions, constant vigilance, persistent patience and timely help which has made this work possible. It is no exaggeration to say without his generous sharing of insight, experiences and encouragements this thesis could not have been in its present form.

I sincerely express my deepest sense of gratitude to Prof. Mohammad Anis, Chairman, Department of Botany, A.M.U. Aligarh, for his indispensable guidance, encouragement and providing all the necessary facilities to complete the present work efficiently.

It’s my immense pleasure to acknowledge Prof. Sayeed A. Siddiqui, former Chairman, Department of Botany, A.M.U. Aligarh, for their motivation and concern throughout the experimental work.

I am delighted to express my thanks to my seniors Dr. Mohammad Faisal (Assistant Professor, KSU Riyadh), Dr. Naseem Ahmad (Young Scientist, DST-Fast Track) and Dr. Iram Siddique (Assistant Professor, KSU Riyadh) for their critical suggestions, guidance and co-operation throughout the work.

I am highly thankful to my colleagues Dr. Aastha Sahai, Dr. Shiwal Sharma, Ms. Arjumend Shaheen (Project Fellow - UGC) and Ms. Taiba Saeed (Research Assistant - UPCST) for their untiring help, co-operation, support and providing conducive environment to sort out the intricacies and complications of my work.
My special thanks to my friends Ms. Ankita Varshney, Dr. Anushi Arjumend Jahan, Dr. Zeba Khan, Mrs. Honey Gupta, Mrs. Razzaquia Khan, Mrs. Seemab Mukhtar, Dr. Hamid Iqbal, Mr. Abid Rafiq, Dr. Faheem Ahmad and Mr. Hilal Ahmad for all their support, encouragement, understanding and for being with me through thick and thin.

My heart-felt thanks to all my labmates Ms. Nigar Fatima, Ms. Ruphi Naaz, Ms. Shahnaz Perveen, Ms. Afshan Naaz, Mr. Imran Khan, Mr. Rafique Ahmad and Mr. Saad Bin Javed.

Finally with deep adoration, I acknowledge my Parents, elder brothers (Mr. Mohammad Saleem, Mr. Mohammad Sadiq, Mr. Abdul Majid, Mr. Mohammad Sajid) and younger sister Ms. Shazia Hasan for their love, affection, inspiration, blessings and moral support without which this work would have been impossible.

I take this opportunity to sincerely acknowledge the University Grants Commission (UGC) for providing financial assistance under the scheme of NON-NET Fellowship and Maulana Azad National Fellowship (MANF) in the form of Senior Research Fellowship (SRF).
