### Chapter 2: Credit Flow for Agricultural Development: A Review of Literature  | 21-56 |

| 2.1. Introduction | 21 |
| 2.2. Studies relating to the agricultural delivery system | 22 |
| 2.3. Studies related to kisan credit card scheme | 44 |
| 2.4. Issues for research | 55 |

### Chapter 3: Credit and Agricultural Development in India: An Analysis of its Structure, Need and Growth  | 57-98 |

| 3.1. Introduction | 57 |
| 3.2. Institutional Credit for Agricultural Development: A Theoretical Framework | 61 |
| 3.2.1. Development school of thought | 61 |
| 3.2.2. Banking school of thought | 63 |
3.3 The phases of rural banking policy since 1969
3.4. Structure, need and classification of credit
   For agricultural development
   3.4.1 Classification of agricultural credit
3.5 Credit flow for agricultural development
   3.5.1 Credit flow during the pre-independence period
   3.5.2 Credit flow to agricultural sector during the post-independence period
3.6 Kisan credit card system
   3.6.1 Concept, history and evolution of credit cards
   3.6.2 Typology of credit cards
   3.6.3 Credit cards in agriculture
   3.6.4 Kisan credit card
       3.6.4.1 Objectives of the KCC scheme
   3.6.5 Progress of kisan credit card in India
   3.6.6 Regional dimensions of kisan credit card
3.7 Kisan credit cards in Karnataka
3.8 Kisan credit card scheme and insurance coverage
   3.8.1 Master policy on personal accident insurance scheme (PAIS) for KCC holders
       3.8.1.1 Scope of the scheme
       3.8.1.2 Risk coverage
       3.8.1.3 Period of master policy
       3.8.1.4 Period of insurance
       3.8.1.5 Premium
       3.8.1.6 Operational procedure
   3.8.2 Rashtriya Krishi Bhima Yojna (RKBY) for KCC holders
       3.8.2.1 Objectives of the scheme
3.9 Conclusions
Chapter 4: Profile of the study area 99-123

4.1. Introduction 99
4.2. Geographical features 99
  4.2.1. Geographical features of the study area 99
  4.2.2. Physiographic profile 100
  4.2.3. Ground water and mineral ores 101
  4.2.4. Flora and fauna 101
  4.2.5. Forest 102
4.3. Demographic profile 102
4.4. Economic background 104
  4.4.1. Economic activity of the study area 104
  4.4.2. Agriculture in the district 105
  4.4.3. Land utilisation pattern in the district 106
  4.4.4. Banking profile of the district 107
4.5. Chikkodi taluk profile 109
  4.5.1. Kabbur village 111
  4.5.2. Soundalga village 112
4.6. Saundatti taluk profile 112
  4.6.1. Manoli village 114
  4.6.2. Tegghal village 115
4.7. Conclusions 115

Chapter 5: Role of Kisan Credit Cards in Agricultural Credit Delivery System: Empirical Evidences from the Sample Villages 124-192

5.1. Introduction 124
5.2. Socio-economic background 125
  5.2.1. Educational background 125
  5.2.2. Distribution of land 129
  5.2.3. Size of the sample household 131
  5.2.4. Type of the household 133
5.3. Distribution of Kisan Credit Cards 135
  5.3.1. Access to information 135
  5.3.2. Access to credit card and formal credit from banking 135
institutions

5.3.3 Time taken to issue KCC 143
5.3.4 Cost of credit 144
5.3.5 Utilisation of credit and credit diversion 148
5.3.6 Need for increase in credit limit as viewed by sample KCC holders 152
5.3.7 Why credit limit should be increased? 155
5.3.8 Approach to increase the credit limit 157
5.3.9 Reactions from the banking institutions 160
5.3.10 Frequency of withdrawals and repayment of loan under KCC 162

5.4 Dependency on non-institution sources of credit 166
5.5 Improvement in procedures and advantages of KCC qualitative assessment 168
5.6 Changes in cropping pattern and production a qualitative assessment 172
5.7. Suggestions for improvement in KCC scheme as Viewed by KCC holders 175
5.8 KCC and agricultural credit as viewed by non-KCC holders 178
5.9 KCC and agricultural credit as viewed by bank officials 182
5.9.1 Socio-economic improvement 182
5.9.2 Suggestions for improvement in KCC scheme 184
5.10. Kisan credit cards and insurance coverage 186
5.11. Conclusions 188

Chapter 6: Impact Assessment of Kisan Credit Card Scheme on Peasant Communities: Empirical Evidences 193-241

6.1 Introduction 193
6.2. Impact on cropping pattern 194
6.3 Impact on production and productivity 198
6.4 Impact on income of the KCC holders 201
