Papers presented in conferences:

International conferences:

3. An Investigation on the Modification of dyeing behavior of 100 % PET Spun Yarn. *International Conference on Recent Advances in Textile and Electrochemical Sciences (RATES-2013)*” held at Alagappa University, Karaikudi, Tamilnadu. India. 21-23\textsuperscript{rd} March 2013.

4. Cost effective dyeing process for dyeing of PET/VISCOSE Composite Yarns 2. using Disperse and Reactive dyes *International Conference on Recent Advances in Textile and Electrochemical Sciences (RATES-2013)*” held at Alagappa University, Karaikudi, Tamilnadu. India. 21-23\textsuperscript{rd} March 2013.
