Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her concern and encouragement shown throughout the study period which has helped in the completion of the study.

The investigator owes her heartfelt thanks and deep sense of gratitude to former Dean and Professor, Head Dr.(Mrs). S. Premakumari, M.Sc., Dip.Ed., M.Phil., Ph.D., (Madras), Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, deserves credit for her endearing nature, kind words of encouragement, support, monitoring and motivation in completion of the study.

The investigator expresses her first debt of gratitude to her advisor Dr.(Mrs).S. Kowsalya, M.Sc., M.Phil., (Bharathiar), Ph.D., (Avinashilingam), Associate Professor, Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her skillful instructions, guidance and suggestions. She patiently provided the vision and advice necessary to proceed through the doctoral program and complete the dissertation. The investigator wants to thank her for the unflagging encouragement and serving as a role model. She has been a strong and supportive adviser throughout my research career and also she always has given me great freedom in pursuing my research work. The enthusiasm and scientific temperament she has for research and her caring ways were contagiously motivating even during tough times in the Ph.D pursuit.

The investigator is deeply obligated and grateful to Mrs.S.Radha Devi, M.Sc., (Kerala), M.Phil., (Madras), Associate Professor in Statistics, Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her invaluable help and support rendered during the study. The guidance rendered in the statistical analysis needs special appreciation and valuable suggestions for the research work.

The investigator also wishes to thank all the faculty members of the Food Science and Nutrition Department for their support and good wishes.
The investigator expresses her deep sense of gratitude to **Professor and Head Dr. Konu Venkata Ramsesu., Department of Biochemistry, K.M. College of Pharmacy (Madurai)** for his enthusiastic help rendered in the study.

Heartfelt thanks are due to **Dr.N.Chithamparanathan, Head, Department of Pharmacology, K.M College of Pharmacy (Madurai)** for the help rendered in carrying out the study in successful manner for providing his expertise and valuable suggestions for the research work.

The investigator is deeply grateful to **Dr.S.Murgesan., Associate Professor, Department of Plant Biology and Biotechnology, Pachaiyappa’s College of Arts and Science, (Chennai)** for his suggestions rendered for the study.

The investigator expresses her deepest sense of gratitude to **Dr. K. Eswaran., Scientist in CSMCRI and Dr.S.Murugan, Research Associate, University of Madras, (Chennai)** who helped in the collection and authentication of seaweeds.

It is with immense gratitude that the author wishes to thank **Mr.Rajendran** and his team members for collection of seaweed and support for the successful completion of the study.

On a personal note, the investigator wishes to express her love and regard to her ever loving **parents Mr.R.Ganesan and Mrs.G.Rani and R.G.HariRam and Stalin Sethupathy.**, for their understanding, endless patience and encouragement when it was most required, who provided endless efforts in every stage of the study and for whom this thesis is dedicated. But for their vision and perseverance, this project would still have been an unrealized dream.

Last but not the least, the investigator wishes to thank her **friend Kinnera Yadlapallai and N. Sangeetha** for the timely help rendered in carry out the research work.
