ACKNOWLEDGEMENTS

Words, in fact cannot substitute for the feeling of gratitude, I have towards all who have helped me in this work.

I acknowledge with a deep sense of gratitude/regard to Dr. P Sahi, M.D.,D.A., Lecturer, Department of Anaesthesiology, M.L.B. Medical College, Jhansi, who was a constant source of encouragement, guidance and who had sympathetic attitude towards me throughout the work.

It is with profound sense of gratitude that I pay my obeisance to my esteemed and exalted Guide and teacher/guide Dr. P Sahi, M.D., D.A., Lecturer, Department of Anaesthesiology, M.L.B. Medical College Jhansi, who with his unfathomable knowledge and experience, canny precision and unceasing efforts for work guided me unflinchingly throughout this humble venture. His firm initiative, timely and constructive criticism, invaluable guidance, divine inspiration and about all a benevolent attitude went a long way towards completion of the present task. His inspirational guidance to mould this work to a fine illustrated shape will always remain as an unforgettable memory in this interior of my heart.

I must express my deepest gratitude to my revered teacher Dr. A.K. Guruwara, Reader, Department of Anaesthesiology, M.L.B. Medical College, Jhansi, for his excellent guidance, supervision and unlimited help at every juncture, his constructive and meticulous suggestions have gone a long way in the accomplishment of this work.
I highly obliged and thankful to all of my senior staff especially -

1. Dr. U.C. Sharma,
   M.D., D.A.,
   Professor and Head,
   Department of Anaesthesiology,
   M.L.B. Medical College, Jhansi,

2. Dr. D.D. Verma,
   M.D., D.A.,
   Lecturer,
   Department of Anaesthesiology,
   M.L.B. Medical College, Jhansi,

3. Dr. (Mrs.) V. Gupta,
   M.D., D.A.,
   Lecturer,
   Department of Anaesthesiology,
   M.L.B. Medical College, Jhansi.

who as a perpetual source of inspiration and knowledge bestowed upon me with remarkable generosity and benevolence.

I have a deep sense of regards for the senior staff of department of Gynaecology & Obstetrics, M.L.B. Medical College, Jhansi, for their generous help and valuable co-operative attitude towards me.

I am obliged and thankful to our staff members of the Department of Anaesthesiology, whose encouragement and constant help made this work possible.

I should appreciate the helping and co-operating attitude of my department workers - Mr. Zaheer Hasan (Clerk), Mr. Om Prakash (Technician) and Mr. Om Prakash Yadav (department boy), Department of Anaesthesiology, M.L.B. Medical College, Jhansi, who helped me by all means from time to time.
I shall always remain indebted to my husband and children for their unaccountable pain, sacrifice and their joint persistent inspiration which enabled me to perform this work successfully. I most humbly take the liberty of dedicating this work to my husband.

Last, but not the least, to Mr U N Goswami for his skilled, neat and faultless typing. I shall remain thankful for ever.

Dated: 23rd Sept '91
