INTERVIEW SCHEDULE – MANAGEMENT

PART - A:

1. Name of the respondent
2. Name of the Organisation
3. Designation
   1. Director / President
   2. Project Director / Project Manager
   3. Team Leader / Project Co-ordinator
   4. Secretary
   5. CEO
   6. Any other
4. Age
   1. 30-40
   2. 40-50
   3. 50-60
   4. 60+
5. Qualification
   1. SSLC
   2. PUC
   3. Graduation
   4. PG
   5. Ph. D
   6. B.E
   7. LLB
   8. Any other
6. Total Experience in the NGO field
   1. 0 – 5
   2. 6-10
   3. 11-15
   4. 16-20
   5. 21-25
   6. Nil
   7. 26 +
7. Experience in the field of commercially sexually exploited women in particular
   1. 0 – 5
   2. 6-10
   3. 11-15
   4. 16-20
   5. 20 – 25
   6. Nil
   7. 26 +
8. Experience other than the field of commercially sexually exploited women
   1. 0 – 5
   2. 6-10
   3. 11-15
   4. 16-20
   5. 20-25
   6. Nil
   7. 26 +

9. How do you understand the word ‘mainstreaming’?

15. Achieving the goal

RESCUE:

1. How do you identify the problems/status of commercially sexually exploited women
   1. Through Public
   2. Through One self (on CSEW’s complaint)
   3. Keen observation by the field staff
   4. Through Referral (NGOs/GOs)
   5. Research works
   6. Counselling
   7. Specify if any
2. How many commercially sexually exploited women have been rescued by your organisation till today?
   1. 0-5
   2. 6-10
   3. 11-20
   4. 21-30
   5. 31-40
   6. 41-50
   7. 51-60
   8. 61-70
   9. 71-80
   10. 81-90
   11. 91-100
   12. 100+

3. What age group they were belonged to when rescued? Specify the number against each group.
   1. Below 15
   2. 15 y – 18 y
   3. 18 and above

   (1) 0-5 (2) 6-10 (3) 11-20 (4) 21-30 (5) 31-40 (6) 41-50 (7) 51-60 (8) 61-70 (9) 71-80 (10) 81-90 (11) 91-1000 (12) 100+ (13) None

4. What age group they were belonged to when trapped to SCE? Specify the number against each group.
   1. Below 15
   2. 15 y – 18 y
   3. 18 and above

5. From where the rescues have taken place? Specify the number against each group.
   1. From Brothels
   2. From Red Light areas
   3. While Trafficked

   5. Neighbours/friends (Social Environment)
   6. Beauty Parlours / Massage Centers / Bars/ Dancing Balls
   7. Religious Centers
   8. Domestic Labour
   9. Court Referred
   10. The Pavement

6. Out of the sum rescued, how many were forced into CSE?
   (1) 0-5 (2) 6-10 (3) 11-20 (4) 21-30 (5) 31-40 (6) 41-50 (7) 51-60 (8) 61-70 (9) 71-80 (10) 81-90 (11) 91-1000 (12) 100+ (13) None
7. Out of the sum rescued, how many were volunteered for CSE?
   (1) 0-5 (2) 6-10 (3) 11-20 (4) 21-30 (5) 31-40 (6) 41-50 (7) 51-60 (8) 61-70
   (9) 71-80 (10) 81-90 (11) 91-1000 (12) 100+ (13) None

8. What are the problems you have faced while rescue?
   1. Social
   2. Legal
   3. Financial
   4. Political
   5. Nothing

9. Specify the nature of problem-
   1. Financial
   2. Political leaders influenced by traffickers
   3. Pimps / mediators
   4. Victims themselves
   5. Political pressure to not to work against certain people
   6. Social Stigma
   7. No lawyers will be ready to fight our cases
   8. Caste
   9. Police helping the traffickers and not co-operating in carrying out the legal procedures
   10. Any other

10. Who assist you while rescuing?
    1. Staff of the Organisation
    2. Police
    3. Public
    4. Journalists / Media people
    5. Advocates
    6. Activists (specify the field)
    7. Peer Network
    8. Pimps / Gharwalis

11. What are the immediate need of commercially sexually exploited women soon after they get rescued?
    1. Psychological support
    2. Seeking legal support
    3. Medical Intervention
    4. Counselling
    5. Economic Support
    6. Reintegration
    7. Specify if any
12. What are the challenges you face immediately after rescue?
   1. Taking consent from rescued CSEW for medical check up
   2. Making them psychologically comfortable /stable
   3. Attending legal requirements in police station
   4. Lack of shelter home facility for them
   5. Language
   6. Psychological condition of the victims

13. Which are the programmes/policies/legislation that support rescue operation?
   1. ITPA 1956
   2. The IPC 1860
   3. The JJ (Care and Protection of Children Act 2000

16. After rescue, what is the immediate need for the effective rehabilitation?
   1. A Shelter home
   2. Assessing the CSEW’s Psycho-social need
   3. Assessing her Physical health
   4. Organising for training programmes for overall development
   5. Specify if any

17. How do you assess the psychosocial status of commercially sexually exploited women?
   1. By Home Visit
   2. Through Psychological testing by a Psychologist
   3. Personal Interview / Counselling
   4. Interview with family members
   5. Monitoring the Health
   6. Specify if any

18. What are the immediate need of commercially sexually exploited women soon after they opt for rehabilitation?
   1. Psychological support
   2. Seeking legal support
   3. Medical Intervention
   4. Counselling
   5. Economic Support
   6. Reintegration
   7. Shelter Home

19. How do you fill it?
   1. Counselling
   2. Registering a with police complaint
   3. Consulting doctors
   4. Organising financial assistance
   5. Taking the CSEW to her home
   6. Specify if any

20. If you have rehabilitation programme, which is your focus area/s?
   1. Socio-Economic rehabilitation
   2. Psycho - Social Rehabilitation
   3. Facilitating Education / Schooling
   4. Providing Institutional care (Food, Shelter/ Health Care)
   5. Providing legal assistance
   6. Specify if any other
21. Out of the above said programmes, which are conducted within the Institution?
   1. Socio-Economic rehabilitation
   2. Psycho - Social Rehabilitation
   3. Facilitating Education / Schooling
   4. Providing Institutional care (Food, Shelter/ Health Care)
   5. Providing legal assistance
   6. Specify if any other

22. Out of the above said programmes, which are conducted outside the Institution?
   1. Socio-Economic rehabilitation
   2. Psycho - Social Rehabilitation
   3. Facilitating Education / Schooling
   4. Providing Institutional care (Food, Shelter/ Health Care)
   5. Providing legal assistance
   6. Specify if any other

23. Since how long you are conducting these programmes?
   1. Socio-Economic rehabilitation
   2. Psycho - Social Rehabilitation
   3. Education / Schooling
   4. Institutional care
   5. Legal assistance
   6. Specify if any other

24. What are the activities you have under each category?
   1. Socio-Economic rehabilitation
      a. Vocational Trg.
      b. Getting job
      c. Loans to start business
   2. Psycho - Social Rehabilitation
      a. Counselling
      b. Conducting psychological therapies
   3. Education / Schooling for the children of CSEW
   4. Institutional care – Food, Shelter, clothing for CSEW
   5. Legal assistance
   6. Specify if any other

25. If you are providing the non-institutionalized rehabilitation programme, what are the problems you are facing in conducting the programmes?
   1. Lack of constant interest in CSEW
   2. Run-away tendency of CSEW
   3. Financial problems
   4. Lack of resource persons
   5. Social Stigma
   6. Specify if any
26. If you are providing the institutionalized rehabilitation programme, how do you mainstream them?
   1. By getting a job
   2. Helping to take up a business
   3. Marriage
   4. Encouraging them to lead an independent life in the society
   5. Constructing the houses
   6. Specify if any

27. If you are providing the institutional care, the shelter home is
   1. Rented
   2. Leased
   3. Own
   4. NA

28. What are the practical problems you face while providing institutional care?
   1. Lack of qualified staff
   2. Lack of financial support
   3. Psychological conditions of the residents/inmates/rescued
   4. Supervision
   5. Protection
   6. Attending their psychological need
   7. Specify if any other

29. The commercially sexually exploited women on rehabilitation process, do they runaway from the shelter home?
   1. Yes
   2. No

30. If ‘Yes’, what can be the reasons?
   1. Poor Psychological condition of CSEW
   2. Lack of professional counseling intervention
   3. Lack of basic infrastructure (Food, accommodation, space )
   4. No proper care takers (Like house mothers)
   5. Lack of Heath care
   6. Lack of recreational facilities
   7. Psychological / Physiological disorders.
   8. Specify if any

31. When they run away, what action do you take?
   1. Neglect them and work on with the remaining
   2. Search and bring them back
   3. Registering a complaint at Police Station and wait for the result
   4. Specify any other
32. What are the psychological disorder/s of commercially sexually exploited women that hampers effective rehabilitation?
   1. Depression
   2. Anxiety
   3. Phobia
   4. Psycho-somatic disorder
   5. Schizophrenia
   6. Suicidal tendency
   7. Personality Disorder
   8. Conduct disorder
   9. Don’t know / no answer

33. Are you providing Psychiatric Intervention?
   1. Yes
   2. No

34. Reason it
   1. Lack of skilled psychiatrist
   2. No timely availability
   3. Financial problem
   4. Need not been identified
   5. Along with love and care, medical intervention is essential
   6. The need exist
   7. No Answer
   8. NA

35. If you don’t have the institutional care facility, then what are the problems you face in providing it?
   1. Financial
   2. Legal
   3. Place
   4. Infrastructure
   5. Qualified staff
   6. NA

36. Do you use other facility to fulfill the immediate need for shelter to them?
   1. Yes
   2. No

37. If yes, which are they?
   1. Government Stay home
   2. Any other NGOs
   3. NA
38. Which can be the common causes for failure of effective rehabilitation?
   1. Stigma attached to CSE
   2. Perception of Public towards rehabilitation
   3. Status of Mental Health of CSEW
   4. Un-preparedness of CSEW
   5. Lack of proper funding to organise programmes
   6. Lack of shelter facilities
   7. Any other (specify)

39. How do you manage them?
   1. Negligence (Neglecting certain things)
   2. Creating awareness
   3. Receiving assistance from Psychiatric setting
   4. Educating CSEW
   5. Organising the funds from various sources (Local resources)
   6. Seeking shelter from other NGOs etc
   7. Any other (specify)

40. Would you be able to give the average percentage of successfully rehabilitated commercially sexually exploited women?
   1. 0-10
   2. 11-25
   3. 26-50
   4. 50 and above
   5. Any other (specify)

41. Do you follow up the rehabilitated commercially sexually exploited women?
   1. Yes
   2. No

42. If ‘Yes’, what is the mode?
   1. Personal visit from agency people / home visit
   2. Through telephone
   3. Attending periodical meeting
   4. Through written communication
   5. NA

43. If ‘No’, Why?
   1. Need not been recognised
   2. Financial constringent
   3. NA
44. Do you think reintegration is essential?
   1. Yes
   2. No

45. Justification
   1. Reintegration with family and society is safer for the victims in all the manner
   2. Proper reintegration brings happiness in victims
   3. Not in all cases, but if the family is mentally healthy
   4. Without reintegration, mainstreaming is not possible
   5. We should think why the child has run away from home
   6. Overall development is possible through reintegration
   7. To remove isolation from the society
   8. Look into the family conditions and reintegrate otherwise there will be a high chances of re-trafficking
   9. Reintegration is one of the important aspect for mainstreaming
   10. In long run, they need family support
   11. Depends on the cases

46. Till today, how many rescued commercially sexually exploited women have reintegrated to their family?
   1. 0-5
   2. 6-10
   3. 11-20
   4. 21-30
   5. 31-40
   6. 41-50

47. Do the commercially sexually exploited women refuse to get reintegrated to their family?
   1. Yes
   2. No

48. How many have refused to get reintegrated with their family?
   1. 0-5
   2. 6-10
   3. 11-20
   4. 21-30
   5. 31-40
   6. 41-50
49. What can be the reasons for refusal?
   1. Refusal from the family
   2. Social Stigma
   3. Family hatredness towards the CSEW
   4. CSEW’s hatredness towards the family
   5. Feeling comfortable in Sex Work
   6. To provide Financial Support to family
   7. Lack of legal support
   8. Specify if any

50. After rejecting to be reintegrated, where do they prefer to stay?
   1. In the Institution
   2. In their relatives house
   3. In their friends house
   4. Anywhere expect their home
   5. Specify if any

51. How many have been with their family successfully?
   1. 0-5
   2. 6-10
   3. 11-20
   4. 21-30
   5. 31-40
   6. 41-50

52. Is there any chance of retrafficking after reintegration?
   1. Yes
   2. No

53. If ‘Yes’, what can be the reason?
   1. Refusal from the family
   2. Social Stigma
   3. CSEW’s hatredness towards the family
   4. Feeling comfortable in Sex Work
   5. To provide Financial Support to family
   6. Getting into Traffickers rocket
   7. To earn more in a short period
   8. Lack of awareness about their legal rights

54. How many have gone back to the commercial sexual exploitation?
   1. 0-5
   2. 6-10
   3. 11-20
   4. 21-30
   5. 31-40
   6. 41-50
55. What are the common problems faced by you while reintegrating them?
   1. Refusal from the family
   2. Refusal from the society/community
   3. Social Stigma
   4. Addiction
   5. Psychological status
   6. Poverty
   7. Force
   8. Lack of Institutional care facility
   9. Family hatredness towards the CSEW
   10. Lack of legal support
   11. Specify if any

PREVENTION AND DEVELOPMENT:

56. Do you feel prevention of women being in this field is possible?
   1. Yes
   2. No

57. Justification
   1. Providing counselling, educate the women
   2. Through awareness we can do a lot in prevention
   3. If the sex buyers become conscious about the issue
   4. If the women are vulnerable, they can get support from the NGOs
   5. They can build their capacity
   6. Educate them properly
   7. If the society removes its masks and think openly, prevention is possible
   8. Our programmes proved it
   9. Any problem has solution
   10. If quality intervention provided

58. What are the preventive measures your organisation has adopted?
   1. Creating awareness among the public
   2. Framing Vigilant committees in various villages/villages
   3. Giving Food, shelter and education to the children of CSEW
   4. Organizing self help groups
   5. Providing various skilled training
   6. Creating awareness among sex buyers
   7. Day care centre for children of CSEW
   8. Financial support
   9. Counselling
59. Have you adopted the Community Outreach Programme/s in your Organisation?
   1. Yes
   2. No

60. If ‘Yes’, name the mode.
   1. Awareness programmes
   2. Street Play / Cultural Activities
   3. Seminars/Workshop
   4. Meeting with SHGs
   5. Documentary movies
   6. Conducting Group Discussion
   7. Lecturing
   8. Working/creating programmes with Local Police
   9. NA
   10. Exposure tour

61. For whom you have conducted such programmes?
   1. Youth
   2. Students
   3. Police
   4. Other Government Officials
   5. Advocates/Lawyers
   6. General Public
   7. Doctors
   8. CSEW & their children
   9. Specify

62. What are the difficulties you have faced in organising these programmes?
   1. Non-Cooperation by the community
   2. Politics among the public
   3. Social Stigma regarding the field
   4. Castes based stigmas
   5. Problem of space
   6. Lack of funds
   7. Lack of staff
   8. Nothing

63. If you don’t have any preventive programmes, Why?
   1. Lack of Resources (infrastructure/staff/fund/…)
   2. Non-cooperative social environment
   3. Non-cooperative environment in government departments
   4. Busy in rehabilitation activities
   5. NA
64. What are the Developmental programmes you have?
   1. Creating awareness about their legal rights
   2. Educating them about available special policies/programmes for their welfare
   3. Framing Association/Collective of CSEW
   4. Conducting special training programmes for Personality Development
   5. Making them to Participate in Educative programmes for the welfare of the society
   6. Specify if any

65. Which programme is effective
   1. Rescue
   2. Rehabilitation – counselling, Vocational training
   3. Reintegration
   4. Prevention – Vigilant committee,
   5. Developmental - SHG
   6. Advocacy / lobbying
   7. Research
   8. Any Other – specify

66. Reason
   1. Gives strength to face the future
   2. Prevention is better than cure
   3. If rescued, other activities can be taken place
   4. Giving good result for mainstreaming
   5. Family support is very much required

67. What are the criteria you have adopted to assess the effectiveness of the programmes?
   1. Interviewing the beneficiaries
   2. Assessing the organisation’s target and achievements
   3. No. of successful rehabilitation
   4. No. of successful mainstreaming
   5. Assessing economic status of the rehabilitated CSEW
   6. Assessing social status of the rehabilitated CSEW
   7. Assessing the quality of life style of the rehabilitated CSEW
   8. Feedback of the field workers
   9. Feedback from the Public / Community
   10. Specify any other

68. Name the factors, which directly influences your work?
   1. Influence from political people
   2. Threatening from Pimps/mediators
   3. Lack of co-operation from the police
   4. Biased attitude of public towards the programme
   5. Any other (specify)
69. How did you handle the factors?
   1. Ignorance towards the disturbances
   2. Seeking protection from police
   3. Being alert in groups
   4. Organising Awareness programmes
   5. Seeking media help
   6. Any other (specify)

70. Effectiveness of which programme is not upto your expectation?
   1. Rescue
   2. Rehabilitation
   3. Reintegration
   4. Prevention
   5. Developmental
   6. Advocacy / lobbying
   7. Research
   8. NA

71. Reasons for the same.
   1. Religious practice
   2. No proper legal support for NGOs
   3. NA
   4. Stigma, indirect support for CSE by police
   5. No proper police support
   6. No constant interest in CSEW
   7. No proper family acceptance
   8. Poverty
   9. No constant interest in CSEW

72. Is the effectiveness of the same programme varies from time to time in the same place.
   1. Yes
   2. No

73. Is the effectiveness of the same programme differs from place to place?
   1. Yes
   2. No

74. Reasons
   1. Cultural aspects
   2. Literacy Level
   3. Education
   4. Experience
   5. Psychological condition of CSEW
   6. Cause that influenced CSEW to be in the field
   7. Situation
8. Attitudes of the Govt. officials
9. Relationship bet NGOs and the Community
10. Interest and infrastructure

75. What are the other professionals render service in this issue?
   1. Doctors
   2. Lawyers
   3. Teachers
   4. Psychologists
   5. Psychiatrist
   6. Police
   7. Professional Social Workers
   8. Specify if any

76. Are you satisfied with the quality of service rendered by them?
   1. Yes
   2. No

77. If ‘No’, give reasons.
   1. Lack of knowledge in the field
   2. Busy schedule
   3. Commitment to the field
   4. NA

78. Are you satisfied with the co-operation rendered by the police department in your work?
   1. Yes
   2. No

79. Justification
   1. Cordial relationship with the department

    5. The Bonded Labour System (Abolition)Act, 1976
    6. The Information Technology Act 2000
    7. The Transplantation of Human Organ Act, 1994
    8. The Foreigners Act, 1946
    9. G.O. MS. NO. 1
   10. G.O. MS. NO. 13
   11. No idea

11. What are the general limitations existed in the present policies and programmes?
    1. It specifies the medical testing of the rescued girl within the limited time, which
      may not be possible **with consent.**
    2. Victims should not be punished but should be treated generously
    3. Sex Buyer/perpetuators should be punished strongly
    4. Reintegration – police insists, but not possible always – girls may refuse,
      traffickers may be in the village / in the family
    5. Rehabilitation package: 10,000 may not be sufficient for the whole process, it
      may also create some sorts of pressure on the victims
    6. Influence of International/national agencies (Building HIV+ fund)
    7. Financial sanction
    8. Implementation of the Acts
    9. No idea

12. Which of the legislations has scope to get amended?
    1. ITPA 1956
    2. The IPC 1860
    3. The JJ (Care and Protection of Children Act 2000
    4. The Child Labour (Prohibition and Regulation) Act, 1986
    5. The Bonded Labour System (Abolition)Act, 1976
    6. The Information Technology Act 2000
    7. The Transplantation of Human Organ Act, 1994
    8. The Foreigners Act, 1946
    9. ALL
   10. Do not know
13. What are those amendments that you recommend to be in the legislations?
   1. It specifies the medical testing of the rescued girl within the limited time, which may not be possible with consent.
   2. Victims should not be punished but should be treated generously
   3. Sex Buyer/perpetuators should be punished strongly
   4. Selling the properties of the traffickers and paid to the victims as compensation
   5. Not answered/do not know
   6. Most of them
   7. Declaring prostitution as crime and punishment to involved persons
   8. Definition for prostitution, pimps/traffickers, public place has to be changed
   9. NA
   10. Everything has to be changed

14. Name the legislation which strongly support the high effectiveness of mainstreaming commercially sexually exploited women.
   1. ITPA
   2. IPC (some section like 374, 362)
   3. G.O. MS. NO. 1
   4. G.O. MS. NO. 13
   5. J.J. ACT
   6. NA
   7. Do not know

15. Is there any area which acts as a biggest loophole in any of the legislations existed?
   1. Yes
   2. No
   3. Do not know

16. If yes, which are they?
   1. Not a single mention about reintegration
   2. Punishing the victims
   3. Not punishing the perpetuators
   4. Many
   5. No proper idea

17. How that affected your programme effectiveness?
   1. Not answered
   2. No legal support for reintegration
   3. Difficult to provide social justice
   4. As the victim gets punishment, the subject gets morally disturbed
   5. Rescue and rehabilitation suffers
   6. Many ways
   7. No idea
18. How could you able to manage it?
   1. Being receptive to the community response, though it affect successful reintegration
   2. N.A
   3. Working with like mined NGOs hand in hand under the network
   4. Some how /according to the situation being diplomatic

19. Which programme of the governments, according to you is most helpful for mainstreaming the commercially sexually exploited women into society?
   1. G.O. MS. NO. 1
   2. G.O. MS. NO. 13
   3. Swadhar
   4. Ujwala
   5. No much idea

20. Which programme of the government, according to you is not helpful for mainstreaming?
   1. G.O. MS. NO. 1
   2. G.O. MS. NO. 13
   3. Swadhar
   4. Ujwala
   5. no one
   6. No much idea

21. Do you have any suggestion to improve the present form of policies/programmes?
   1. Quick and early judgement
   2. Be practical while framing the policies
   3. Involve the people working at grossroot level in the field while framing the policies
   4. Amendments in legislations
   5. Appointment of concernful officials
   6. Eradication of corruption
   7. No much ideas

22. What types of programmes you suggest to the Government to adopt?
   1. More shulter homes to the victims
   2. Not interested
   3. Ensuring awareness programme
   4. Focusing on the economic and socially sustainable support
   5. Programme that could meet the actual need of CSEW
   6. No
   7. Giving some power/authority to the NGOs

23. Why do you recommend them?
   1. Existing no. of shelter home is not sufficient
   2. Awareness is essential for any change
   3. Without economically and socially sustainable support, the situation may take U turn
   4. When need assessed at grass root level and those needs met, it gives success
   5. No idea
   6. Gives instant result
INTERVIEW GUIDE

1. Views of the government about mainstreaming
2. Key factors for successful rehabilitation
3. Key factors for drop out
4. Government support for mainstreaming
5. Priority area of intervention
6. Policies for prevention
7. Follow up (mechanism for mainstreaming)
8. Measuring effectiveness of NGOs interventions
9. Identified obstacles for the quality intervention by the NGOs
10. General view about the quality of work by NGOs
11. Support for formal research to identify the needs of the field
QUALITY OF LIFE QUESTIONNAIRE
