8. Year of the Establishment : 1993

Vision:
To create a safe, supportive and responsive society that upholds the protection rights
and dignity of every child in Andhra Pradesh. HELP has a long term view of preventing child
trafficking, child prostitution and second generation prostitution.

Mission:
To promote women's human rights and to work regionally to combat sexual exploitation in
all its forms, especially prostitution and trafficking in women and children, in particular girls.

HELP is composed of regional networks and of affiliated individuals and groups. It
serves as an umbrella that coordinates and takes direction from its regional organizations and
networks in its work against sexual exploitation and in support of Child Rights and women's
human rights.

HELP prevents trafficking by educating boys and girls in schools and communities in
different parts of the world and by training teachers, professionals, police, governmental
authorities and the public about the harm of sexual exploitation and ways to resist and
combat it.

HELP researches and documents the situation of women who have been trafficked
and are in prostitution; educates the public about the extent of harm sustained by women and
girls in prostitution; and galvanizes change through legislation and working with
governments and international agencies to create/change/amend policy and legislation that
support the right of every Children, woman and girls to be free of sexual exploitation; and
helps create and support alternatives for children, women and girls who have been sexually
exploited.

Objectives of organization:

1. To stop child trafficking, child Prostitution and Second Generation Prostitution and
   young women.
2. To prepare underprivileged children (children of women in prostitution) for entry into
   the formal system.
3. To work towards parental participation in children's education.
4. To provide and optional dignified life to the children of women in prostitution through
   comprehensive social interventions in their situation. More particularly, to give inputs
   like education, shelter, health, nutrition, recreation, vocational & skill trainings,
   personality development, value education, counseling etc.,
5. To undertake Capacity building and facilitate to encourage other NGOs to take up red-
   light areas intervention work.
6. To work towards proper social reintegration of the VOCSET and Rescued Girls/women.
7. To effect change in the community a change in the life of poor & vulnerable women,
   children and other marginalized by effecting people's action.
8. To take up Advocacy work on behalf of the VOCSET wherever required.
9. To create a fair, just and gender sensitive society by people's own initiative

6. Contact Person and his Position : K.P. Latheef, Project Co-ordinator

8. Year of the Establishment : 1985

**Vision/Goal of the Organization:**
To make the minds without fear in the society

**Mission:**
To act as a product of creativity and compassion to the people in need

**Objectives of organization**

- To offer shelter to mental patients
- To provide free treatment, care and skill development training to mental patients and substance abusers
- To run home of the deprived girl children of sexually exploited women
- To rehabilitate and mainstream sexually exploited women in the society.

**Activities:**

- short-stay home for women in distress at Athani, women who have lost the security of their homes, women who have been battered, deceived and abused and also women who have tried to escape from sheer poverty. Medical, legal and psychological help is provided to them in addition to the emotional support that they so badly need. More than being a short stay home, Athani helps them regain their self respect to build their lives anew. As a rehabilitation process some of the inmates go and work outside. Skill development classes are held helping the inmates to face the world with confidence and dignity.
A home of the deprived girl child, was born in 1996. Daughters of the inmates of Athani and the girls from high risk groups and children who had gone through most harrowing experiences in their young lives are in the home. The girls now are going to school from pre-school up to Plus-2. Some are attending vocational training courses also. They are getting over a traumatic past slowly but surely.

To run the Women's Help Line: Any woman in need of help wherever she is, whatever time it is, and whatever her problem is, can get in touch with Helpline. There are 3 counsellors working round the clock to render any help that is needed, be it advice or help in an emergency.

Under the joint auspices of the State Legal Service Authority and Abhaya a free legal and programme for women was started. The Centre is functioning under the supervision of expert lawyers and social workers and provides free counselling and legal aid to women.
