OUR RESEARCH PAPERS

Most of the results in this thesis have been published / accepted / communicated in various journals for publications, the details of which are mentioned below.

8) Decomposition of $M^{(1,2)^{\ast}}$-continuity and complete $M^{(1,2)^{\ast}}$-continuity in biminimal spaces, International Journal of Mathematical Archive, 2(11) (2011), 2299-2307.

9) On decomposition of M-continuity, Archimedes Journal of Mathematics (Accepted).

10) M-continuity and its decompositions, International Journal Mathematical Archive (Accepted).
