My support, my strength, my inspiration is my wife without whom I would have not reached at this step. My wife Dr. Bidyut Lata Mishra had taken the tasks of entire
domestic front, familiar and social responsibilities to give me scope to be totally engrossed in the study. Without her the work could have not completed.

Finally, I bow my head to Lord Jagganath in deepest gratitude and pray for his blessings to all those who have helped me directly or indirectly.
