I hereby declare that, The present work completed in the form of thesis entitled ‘HYDROBIOLOGICAL STUDY OF CHAPHAL RESERVOIR TQ. PATAN, DIST. SATARA (M.S.) - AN APPROACH TO CONSERVE IT.’, is an original work and has not been submitted or published before in any form for the fulfillment of any other degree.

Date: / /2012 Mr. Lalasaheb S. Bhingardeve
Place: Kallam. Research Student

ACKNOWLEDGEMENT

I was eagerly waiting for the day to express my heartstrings about my guide Dr. D. A. Kulkarni, Associate Professor, P.G. Department of Zoology and research center,
S.M.D.M.M.Kallam. I consider myself as extremely fortunate to have worked under his
grand source of guidance and inspiration to me, who has been a continuous source of new
ideas, and fruitful suggestions. My words fail short to express my feelings. His constant
encouragement and valuable guidance in the task are greatly responsible for inspiring me
to complete this piece of work.

I am very much thankful to Dr. Mohekar Principal, S.M.D.M.M.Kallam, Dean,
faculty of science and management council, Dr, B.A.M.U. Aurangabad, Director, Dr.
B.A.M.U. Sub-Campus, Osmanabad, for his constant and continuous encouragement and
for providing necessary facilities to carry out research work.

It is also my duty to express my great thanks to Prof. Dr. Kamble, Dr. Randive,
and Dr. Bhagvan Department of Zoology S.M.D.M.M.Kallam for their constant
encouragement, suggestions and moral support during my research.

I express profound regards and gratefulness to President, Koyana Education
Society, Patan Dr. S H.Chavan, Joint Secretory Hon.Amarsinh Patankar, Shri P. P. Patil,
Shri Balasaheb Patil, and other members of Local committee of Koyana Education
Society, Patan.

My deepest sense of gratitude is also for Prof. Zulzule G. S. Ex. Acting Principal,
Balasaheb Desai College, Patan and also to Acting Principal, Dr. More S. V. and
teaching staff for their affection, help and continuous encouragement for sharing their
research respiratory.

The thanks are reserved to Mr.Thorat D. D., Mr. Chavan R. G., Dr. B. V. Jadhav
Head, Department Of Zoology, Balasaheb Desai College, Patan, and other teaching and
non-teaching staff of Balasaheb Desai College, Patan. I also thanks to Mr. Supugade G.
D.

No one can undertake a work of this magnitude without a grateful deal of help. It
would be ungracious if I would not express my deep sense of appreciation to my friends
and my colleagues all who directly or indirectly helped me. I am very much thankful to
Dr.Kalantre V. A., Dr. P. D. Kamble, Dr. M. R. Kadam, Dr.Sapkal M.R., Mr. Phadatare
D. R., Mr. Supnekar S. R., Dr. Nimat R. K., Mr. B. V. Jadhav, Mr. M. D. Jadhav, Mr. S.
B. Rajemahadik, Mr. Shivaji Sutar lab attendant Department of Zoology Balasaheb Desai College, Patan. Shri. Shamraj Jaykumar research Collegues, V.M. College, Osmanabad and all his friends who directly or indirectly helped me. I shall not forget Mr. Shamraj for his help and finalizing this thesis.

I put on record thanks to teaching and non-teaching staff of Zoology Department and Staff of S. M. D. M. M. Kallum for their kind cooperation.

I will fail in my duties if I do not mention my warm feelings towards my son Vishwajit, Swaranjali, Samruddhi, Satyajit, and my wife Sou. Manisha and my mother, sister, Brother and other family members.

Last but not least I express my great sense of gratitude to all my well wishers.

Mr. Lalasaheb Shivajirao Bhingardeva
(M. Sc.)
Research Fellow
S. M. D. M. M. Kallum.
