ACKNOWLEDGEMENT

In lieu of the University guidelines, as a part of fulfillment for award of Ph.D degree a mammoth task such as this would not have seen the light of the day, but for the timely encouragement and guidance of my guide Dr. S.K.AHALEY, Professor and Head, Department of Biochemistry, Govt. Medical College, Miraj. Reviewing literature, discussions on presentation and successfully achieving our aims and objectives, needed several sittings and time consuming schedules, which have born fruit in form of this volume. Credit per say goes to my guide Dr. S.K.AHALEY, to whom I will remain eternally grateful.

I am grateful to Dr. A.R. Raul, Dean, Govt. Medical college, Miraj for allowing me to carry out this work.

I express my deep sense of gratitude to Dr. P.D. Samson, M.B.B.S., M.P. (USA), Director for South East Asia Leprosy Mission.

I am grateful to Dr. P.E. Jagtap, Lecturer, Dept. of Biochemistry, Govt. Medical College, Miraj, Dr. K.J. Namaji, Professor of Biochemistry M.I.M.E.R., Medical College, Talegaon.
I am also thankful to Director Dr. A. J. D. Phansopkar, Wanless Hospital Miraj for their valuable co-operation in completing this work.

I appreciate the invaluable guidance of Dr. Mrs. M. A. Phansopkar, Professor and Head of Department of Pathology, Wanless Hospital, Miraj.

I would also thank Dr. V. R. Bhagwat, Asso. Prof. Dept. of Biochemistry, Mrs. J. V. Ganu, and Mrs. P. A. Raol, lecturer in Biochemistry, Govt. Med. College, Miraj, Dr. Y. M. Pawar, lecturer in Biochemistry, B. Hire Medical College, Dhule, Dr. Bipin Tiwale D. Y. P. E. S. Medical College Kolhapur, Dr. Zunjarrao Badade, lecturer in Biochemistry, M. G. M. Med. College, Bombay, Mr. S. M. Pawar, Biochemist, S. R. T. R. Med. College, Ambajogai, Mrs. Sushma Dhonde, Mr. Balasaheb H. JadHAV, Mr. Shashikant V. Nikam, for invaluable co-operation and support during my work.

I wish to thank my colleagues from Dept. of Biochemistry, Govt. Medical College, Miraj, Wanless Hospital and General Hospital Sangli, for their note worthy co-operation and help.
I would also thankful oblige towards the Richardson Leprosy Hospital Miraj, for their generous help and cooperation.

I am also thankful to M/s. RAM COMPUTER CONSULTANCY, MIRAJ, which deserves every bit of token appreciation for printing this thesis in a presentable manner.

I would also thankful all P.G. Students and Staff, Dept. of Biochemistry, Govt. Medical College Miraj, for their cooperation and help during this work.

I would express my deepest gratitude towards all patients and volunteers included in this study for their kind cooperation.

I appreciate the help of Mr. Sudhir T. Awale and Mrs. Margeret S. Awale for their valuable support.

I would like to express my sincerely thank to family members and friends for their continued support and encouragement.

Vaishan B. Londe
