ACKNOWLEDGEMENT

First of all I should praise and thank God, the Almighty for the boundless blessings which led me to completion of this work discarding all difficulties.

Words will never be enough to express my gratitude to my supervisor Dr. B. Sivakumar, Assistant Professor, School of Mathematics, Madurai Kamaraj University, Madurai, for his inspiring guidance, valuable suggestions, constant encouragement and the heavenly patience showered copiously on me throughout my research.

I am deeply indebted to Professor G. Arivarignan, Emeritus Scientist (CSIR), Department of Applied Mathematics and Statistics, School of Mathematics, Madurai Kamaraj University, Madurai, for his valuable advice and help in several ways and continuously supporting the entire course of my research study.

I would like to thank Dr. A. Shophia Lawrence, Assistant Professor, School of Mathematics, Madurai Kamaraj University, Madurai, for her constructive comments and for numerous enlightening discussions during my research tenure.

My sincere thanks go to Professor B. Mayilvagan, Chairperson, School of Mathematics, Madurai Kamaraj University, Madurai, for his providing me the necessary facilities available in the department.

I would like to thank Professor M. Lellis Thivagar, Head of the Department of Mathematics, School of Mathematics, Madurai Kamaraj University, Madurai, for his valuable help in several ways for my research study.

My heart-felt gratitude to the Madurai Kamaraj University for the fellowship award under University Stipendiary Research Fellowship (USRF) and I thank UGC for the award of research fellowship under Rajiv Gandhi National Fellowship (RGNF) and the effective assistance provided to me.

My sincere thanks are due to my parents M. Marimuthu and M. Velammal and also I thank my uncle V. Shellamuthu and my aunt S. Veerammal for their blessings and support which made this work possible.

My special thanks go to my brothers S. Kathireson, S. Ponram, S. Jeyaram, M. Karuppasami, M. Kanagarasu, V. Marimuthu, V. Raj and my sisters A. Subbulakshmi, S. Amuthavalli for their constant encouragement and motivation throughout my education.
I gratefully acknowledge the endurance shown by my seniors and colleagues, during the period of my research.

Finally, I thank the faculty of School of Mathematics, Madurai Kamaraj University, Madurai, for the facilities provided to me.
