ACKNOWLEDGMENTS

First of all I would like to thank my supervisor Dr. Satish Kumar, for constant guidance, co-operation and being a source of inspiration to me at every moment, as it would not have been possible to complete this work without his efforts.

I offer my sincere thanks to Dr. Jamal Ahmad Khan, Professor and Chairman, Department of Wildlife Sciences A.M.U., Aligarh for his guidance and support during field data collection.

I am extremely grateful to Mr. Rupak De, Principal Chief Conservator of Forests (Chief Wildlife Warden of Uttar Pradesh) for issuing permit on time for fieldwork in Katerniaghat Wildlife Sanctuary in Uttar Pradesh.

I am thankful to Dr. H.S.A. Yahya, Professor, Department of Wildlife Sciences and Dr. Affifullah Khan, Professor, Department of Wildlife Sciences for their encouragement during the study period. I am equally thankful to Dr. Orus Ilyas and Dr. Faiza Abbasi for teaching me in post-graduate classes.

I would like to acknowledge Dr. Azra Musavi, Associate Professor, Centre for Women's Studies for her constant guidance and encouragement.

The staff of WWF-India extended all possible help during data collection to different researchers working in the Sanctuary. In particular, I would like to thank, Mr. Dabir Hasan and Mr. Ashish Vista, Project Officers, WWF-India.

I am thankful to Uttar Pradesh Forest Department staff, the Divisional Forest Officers and Range Forest Officers especially Mr. R.K. Singh (DFO, Katerniaghat Wildlife Sanctuary), Mr. Sutendra Kumar Chaudhary (RFO, Nishangarah Forest Range, Katerniaghat Wildlife Sanctuary), Mr. M.K. Shukla (RFO, Katerniaghat Forest Range, Katerniaghat Wildlife Sanctuary), for their continuous support while conducting fieldwork in Katerniaghat Wildlife Sanctuary, Uttar Pradesh.

The Forest Department extended all possible help during data collection trips to different Forest Ranges of my study sites. In particular, I would like to thank, Mr. Irfan (Deputy Ranger, Katerniaghat Wildlife Sanctuary), Mr. Naresh (Forester, Katerniaghat Wildlife Sanctuary), Mr. Ashfaque (Forest Guard, Katerniaghat
Wildlife Sanctuary), Mr. Amit (Forest Guard, Katerniaghat Wildlife Sanctuary), Mr.
Shusheel Kumar Shrivata (Forester, Katerniaghat Wildlife Sanctuary), and Mr.
Shive Kumar (Forest Guard, Katerniaghat Wildlife Sanctuary).

I am also thankful to Mr. Shanu (WWF-India) for arranging accommodation for
me at Katerniaghat Wildlife Sanctuary. The work would not have been possible
without his kind support.

I wish to place on record my sincere thanks to Dr. Ehtesham Husaain Abbasi
(Assistant Professor, Department of Accounting, College of Business, King Abdul
Aziz University, Kingdom of Saudi Arabia), for his constant support.

I also express my heartfelt gratitude to Dr. Kaleem Ahmed, Dr. Shamshad Alam,
Dr. Nazneen Zehra, Mr. Shah Mohd. Belal, Mr. Sirajuddin Majumdar and all
Research Scholars at Department of Wildlife Sciences (DWS) for very useful
discussions and valuable suggestions. I am also thankful to Librarian Mrs. Rafat
Yasmeen Shafique for issuing different books and journal that were required by
me.

I would like to thank all my friends and colleagues Mr. Uzair Ahmed, Mr. Tajdar,
Mr. Salman Hyder, Mr. Naseem, Mr. Tariq Aziz, Mr. Rehan, Mr. Imran, Mr. Firoz
for timely help at various levels.

I would like to acknowledge the field support provided by my field assistants Mr.
Manphool, Mr. Rajkaran, Mr. Ramkishun, Mr. Mohd. Afzal and Mr. Mohd. Hashim
in Katerniaghat Wildlife Sanctuary.

Last but not the least, I am thankful to all staff of Department of Wildlife Sciences
for their help and co-operation.
