

## ACKNOWLEDGEMENTS

I express my deepest gratitude to my Guide Prof. B.S.K.Sundara Siva Rao, for his sincere and invaluable guidance which helped me to carry out this “THESIS” work. Through the discussions and valuable suggestions he has enlightened me to a great extent and it has been a distinct pleasure and privilege to work under his guidance and I express my indebtedness to him.

I express my sincere thanks to my co-guide Dr.N.Ramanaiah, Associate professor Department of Mechanical Engineering for his valuable suggestions and co-operation to carry out this thesis work.

I am thankful to Prof.M.M.M.Sarcar, Head of the department Mechanical Engineering, Andhra University College of Engineering (Autonomous), for his support.

I express my sincere gratitude to Deputy Inspector General A.Amarender Reddy, Indian Coast Guard, Visakhapatnam; Sri. Gogineni Raja Ram, Winner of Prime Minister’s SHRAM SHREE award and awarded by Prime Minister of India and is working in Welding Dept, Naval Dock yard; Dr.P.Ugandhar, Ph.D(NIT, Jaipur), Sr.Lecturer, Govt. Polytechnic, Vizianagaram; Dr.P.Ramesh, Ph.D(IIT-M),Sr.Lecturer, Govt.Polytechnic,Visakhapatnam;Mis.K.ArunaJyothi,JNU(PhD)(English); Sri.Apparao, Public Relations officer (HSL); Sri Sudhakar, Manager, Welding machines supplier for their concern.

I am very much thankful to Prof. K.Srinivasa Rao, Metallurgy Engineering Department, Andhra University College of Engineering (A), Visakhapatnam for his valuable guidance, and I am very much thankful to Non-Teaching Staff of the Department for their cooperation / assistance rendered towards carrying out my experiments.

I express my sincere thanks to Staff of International Advanced Research Centre for Powder Metallurgy and New Materials (ARCI), Hyderabad and Staff of Materials Joining Laboratory IIT-Madras for conducting various experiments.

I take this opportunity to thank my family members for their love and concern. Their prayers and blessings helped me to concentrate and to successfully complete this work.

Finally I thank GOD, the most beneficent and the most merciful.

**Maddili Praveena Chakravarthy**
