ACKNOWLEDGEMENT

At the outset, the author thanks the Almighty for having showered His choicest blessings by providing all the required resources, an able and amicable doctoral guide, conducive environment and a set of affable persons, to carry out this Research work successfully.

The author is abundantly indebted to his respectable guide Dr. T. Gnana Sambanthan, EDP Manager & Head, Computer Centre, National Institute of Technical Teachers’ Training and Research, Taramani, Chennai-113, for the valuable guidance received all through the execution of this research program. The intimate involvement and undivided attention of Dr. T. Gnana Sambanthan at every stage of the research, enabled the author to carry out and complete this work, much earlier than the stipulated maximum time.

The author thanks Dr. G.B. Jaiprakash Narain, Director, National Institute of Technical Teachers’ Training & Research (NITTTR), Chennai – 600 113, for his continuous encouragement and interest throughout the research period.

The author would like to remember with thanks the vision and perseverance of Dr. S. Swaminatha Pillai, Professor (Retired), NITTTR, during his tenure in NITTTR (erstwhile TTTI), which enabled the author and many other research scholars to pursue Ph.D., research through NITTTR. Additionally, he helped the author by extending his valuable time in correcting the mistakes and in making some suggestions to improve the overall get-up of the thesis report.
The author records his thanks to the members of the Doctoral Committee, Dr. S.K. Srivatsa, former Professor of M.I.T., Anna University and Dr. R. Seetharam, Reader, Department of Education, University of Madras, Chennai-5, for their valuable suggestions in completing this research work successfully, during the doctoral committee meetings. The author especially and profusely thanks Dr. D. Brahadeeswaran, Professor & Head, Policy Planning & Educational Research for having extended the moral support by providing guidelines in doing this research work successfully.

The author thanks Dr. S. Dhanapal, Professor, Curriculum Development Centre, NITTTR, Chennai-113, for having made many valuable suggestions during the course of this research work and for having provided some relevant research literature to the researcher.

The author thanks Mrs. P. Malliga, Senior Lecturer, Computer Centre, NITTTR, for having helped the researcher, in executing statistical calculations in the research work.

The author thanks all the Principals, Faculty Members and students of the various Engineering Colleges located in different part of Tamil Nadu, who helped the author, in this research work by providing required data.

The author also thanks Dr. V. C. Kulandaisamy, Former Vice Chancellor of Indira Gandhi National Open University, New Delhi, Dr. T. R. Natesan, emeritus Professor of Anna University, Dr. V. Sankara Narayanan, Director, Tamil Virtual University, Dr. M. Ananda Krishnan, Former Vice Chancellor, Anna University, Dr. S. Sathikh, Former Vice Chancellor, University of Madras, Dr. S. Raman, Professor & Head, Department of Computer Science & Engg., IIT, Chennai, Dr. C. R. Muthukrishnan, Deputy Director, I.I.T Chennai, Dr. J. Rajaram, Former Professor, Department of Chemistry, I.I.T, Chennai - 34, Dr. R. Sethuraman, Former Director, School of Electronics & Instrumentation, MIT, Anna University,
Dr.N.P.Gopalan, Head of Computer Science & Engg., National Institute of Technology, Trichy for having willingly spared their valuable time and extended all their cooperation during the interview schedules, the author had with them.

The author also thanks all the HRD Managers, experts from industry especially, Mr.K.V.Ramani, Managing Director, M/s Future Software Ltd., Dr.Vidya Durai, Project Manager, I- Nautics Pvt., Ltd., Dr.V.Sankaran, Project Leader, HCL Software Solutions Pvt., Ltd., Dr.K.Ranga Rajan, CEO, Man Machine Systems Pvt., Ltd., for having helped the author by providing feedback responses for the questionnaires of this research work, in spite of their busy schedule. The author thanks all the Faculty Members of NITTTR, especially Dr.B.G.Barki, Dr.B.Mukhopadhyay for having provided their valuable suggestions during the annual Ph.D., seminars. The author also thanks all his colleagues and subordinates and Managements in the former and present colleges for having extended moral support in fulfilling this research work successfully.

The author thanks Mr.S.Udayakumar, Computer Centre, NITTTR, Chennai – 113, for having helped in the process of correcting the manuscript of this thesis report. The author thanks Miss.P.Usha Rani and Miss.R.Nithya for their expert and patient typing work of this project Work.

The author thanks all the staff members, students and managements of many private computer Institutes for having helped him, in collecting useful and valuable data required for doing this research effectively.

A. SENGUTTUVAN
