ACKNOWLEDGEMENTS

I owe my sincere and deepest gratitude for the guidance and encouragement rendered by my guide Dr. A.K. Khan, Lecturer, Department of Zoology, Marathwada University, Aurangabad.

I express my deep sense of gratitude to Dr. R. Nagabhushanam, Head of Zoology department, Marathwada University for providing the facilities in laboratory. Also I wish my sincere thanks to Dr. (Mrs.) R. Sarojini Reader, Department of Zoology for her encouragement and advice during the research work.

I am very happy to record my appreciation for the encouragement given to me by my teacher, Shri V.K. Saraf, Lecturer, Head of Zoology Department, Pratishthan Mahavidyalaya, Paithan, who built up my educational career. I take this opportunity to record my deep sense of gratitude to my beloved teachers, Principal Shri R.B. Walle, and Hon. Secretary Shri B.K. Shishode of Pratishthan Mahavidyalaya Paithan for their moral support and for giving me the permission for Ph.D.

I am very much gratefully acknowledge to Dr. U.H. Mane, Dr. C. B. Dummalod, Dr. (Mrs.) P.R. Machale, Dr. Khillare, Dr. Khot for their help during the research work.
I am very much thankful to my colleagues, Dr. Vedpathak, Dr. Rao, Dr. Yadav, Satish Kulkarni, Satish Patil, Javed Zafar, Kokate for their kind and enthusiastic cooperation.

I owe my deep sense of gratitude to my late father, who had faith in me about my future.

There are no words to express my heartiest thanks to my husband Mr. Mahendra Patidar for his constant support, incessant encouragement and patience. I record my deep sense of affection to my beloved kids, who sacrifice their joyful movements for my present investigation. I express my deepest gratitude to my father in law and mother in law for their constant help, affection and blessings during the tenure of my research work.

I would failing in my duties if I do not acknowledge to my brothers and sisters in laws for their patience, understanding during my study period, kind blessing, constant encouragement and inspiration to build up my educational careers.

Lastly, I thanks to Nitin Nikam for his diligent typing and Dr. Sapre for his nice photography.
