

RESEARCH PUBLICATION

RSEERACH PUBLICATIONS

1. Morphometric analysis of Uma River Basin, exposed near Murtizapur taluk, Akola Dist. Mah. and its impact on water resource management 1998 (Conference held on water resouuce management Tapi and Wardha basin, Mah. Date June, 25-26 1998 Amravati).
2. Hydrogeological investigation of Uma River Basin, Akola dist. Mah. - A remote sensing approach. (National seminar held on "Ground water salinity, water resource development and management of Purna alluvial basin Maharashtra, India, Date January, 26-29, 1999)
3. Water quality management of Murtizapur and Karanja region Akola dist Mah.(Conference held on water resource management Tapi and wardha basin Mah. Date June, 25-26 1998 Amravati).
4. Nature of groundwater regime of Uma River Basin exposed near Murtizapur region, Akola dist, Mah. India Journal of Applied Hydrology Vol. XIV No. 2 & 3/4, 2001.
5. Water resource management and harvesting in purna river basin 1999 (Abstract published in annual convention and national seminar on water resource and sustinable devleopment in next century, Held at Department of Geology Center for P. Stidoes Shivaji University, Solapur. Date. December 28-29, 1999).
6. Hydro geochemistry of Uma exposed near Mrutizapur taluk Akola Dist. Mah. 1999 (Abstract published in annual convention and national seminar on water resource and sustinable devleopment in next century, Held at Department of Geology Center for P. Studies Shivaji University, Solapur. Date. December 28-29, 1999).

7. Characterization of groundwater and watershed management of Uma River Basin, Akola dist. Maharashtra with emphasis on groundwater quality 2000. (Abstract published in International conference in Hydrology and watershed management with a focal theme on, water quality and conservation for sustainable development, held at center for water resource institute of post graduate studies and research Jawaharlal Nehru Technological University, Hyderabad.
