Acknowledgements

First I thank GOD for giving this beautiful life and showing some purpose to achieve something in my life. I am very much thankful to my mother from whom I learnt the art of hard work and patience. I am thankful to my father who taught me how to follow DHARMA.

I am deeply indebted to my Ph.D. guide Dr. S. Sivaram, for bringing the best from me. Many thanks sir. A basic ground of curiosity to do research I got from him when I met him for the first time during his scientific lecture. Throughout eight years of research, I admired his problem-solving potential of research rather than the fascination of new discoveries. I found in him a person of great character and hard worker and above all a good human being. He taught me that learning is a never-ending process and that it is something that is invaluable. I also express my sincere gratitude to Dr (Mrs.) Rama Sivaram, for moral support.

I am very much thankful to Dr. Wadgaonkar for useful chemistry discussions. I am thankful to Dr Baskaran, Dr. Mahesh Kulkarni, for MALDI ToF MS and Professor A.H.E Muller for HPLC analysis of polymers. I am also thankful to Dr. Idage, Dr. Mohandas, Dr. (Mrs.) Garnaiik, Dr. Avadhani, Dr. Vermekar and Dr. Saxena for their co-operation. I am also thankful to Dr. Argade for useful discussions on the chemistry of anhydrides. I am thankful to Dr. R.A Kulkarni and Mrs. Deepa Dhoble for making me proficient in handling GPC. I am also thankful to Ms Nilakshi for assistance with HPLC. I am also thankful to Dr. Rajamohanan. Mrs Phalgune, and Dr. Sathe for teaching me techniques of NMR instrument.

I thank Boje Gowda, Nagaprasad, Yanjarappa, Mallikarjuna, Sridhar Reddy, and Dr. Sesh Sainath, for their kind and helping nature. I am also thankful to other Telugu gang, namely, Uma Shankar, Suresha, Prakash Reddy, Srinivasa Naidu, Suresh, Sunil, Srinivas, Swaroop, Praveen, Raghunadh Reddy, Bhargava Reddy, Sathyanarayana Reddy, Prasad, Nooka Raju and others for their constant support.

I must thank my lab mates Anuj mittal, Mahua, Sandhya, Arun, Neeta, Snehathatha, Smitha and Sony, for their co-operation. I am very much thankful to my friends, Deenadayalan, Rajkumar Patel, Devaraj and their spouse for their constant moral support. I
wish to thank my earlier roommates Laxma Reddy, Srikanth and Sathyanarayana Reddy for their good company. I am fortunate to have timely help from administrative officer, Shri Vidyanathan, Paul Desouza, Security officer Ponkshe, Dr. Kelkar, Dr. R. C. Sharangpani, and Dr. Shashank Sha.

My special thanks to Murugaiah, Srinivas Hotha, Krishnakanth Reddy and Raman Vyasabhattar for their prompt help, for useful chemistry discussions and making me to realize about the world we live in. With them, life at the institute was never boring. Many thanks to them for being good with me always. Also many of this institute is close to my heart for their support. I am also very much thankful to NCL friends Maneesha Barve, Murugan, Bhushan and Jayanth Khandhare for being good with me always.

I am sincerely thankful to my long time friends Shekhar, Pardhasardahi, Ramesh, Mahendhar, Deepa Nair, Swapna and Sridevi for their constant love and wish to achieve something in my life. I would also like thanking all my brothers’ late Yadagiri goud, Mallesh goud, Krishna Swamy, late Ella goud, late Venkateshwar goud, Sathyanarayana goud and Malleshham goud and all my sister-in-laws and their children for their co-operation. I am also thankful to two of my sisters and brother-in-laws D. Chandrakala and D. Khistaiah and B. Swarna latha and late B. Narsimha goud. All these family members wished me to achieve something high in my life.

My wife Shailaja came at important stage of my life and gave me moral boost to win against odds. ‘Shailu’ and my daughter ‘Amshu’ is GOD’s gift to me and always inspired me. I am always thankful to my in-laws Anjaiah Goud and Rajamani, brother in-laws Venumadhav, Pramod and Sudheera and Shivaranjani, for their invaluable support and encouragement. I would like to thank whoever has been deciding my fate for the past thirty five years, because I have no idea how one could have all that I have without being blessed or extremely lucky.

Finally I thank CSIR for the senior research fellowship and the Director, NCL for allowing me to carry out my doctoral research work in this world-class institute.
