Declaration

I do hereby declare that the thesis entitled: Isolation and Characterization of Antimicrobial Principles from the Selected Plants of Zingiberaceae Family, is an authentic record of the research work carried out by me under the supervision and guidance of Dr. M. S. Latha, Reader, School of Biosciences, Mahatma Gandhi University, Kottayam. No part of this thesis has been previously presented for the award of any degree or diploma.

ACKNOWLEDGEMENTS

Bounting my head in front of my Lord Jesus Christ, I would like to express my profound gratitude to the many people who helped me to complete this work.

I am greatly indebted to Dr. M. Mohamed Raffi, Cancer Institute of New Jersey for suggesting the problem for the study, very sincerely supervising the project and encouraging me in difficulties at the outset of the study.

I am extremely grateful to Dr. M. S. Latha, Reader in Biochemistry, School of Biosciences, for her expert guidance, valuable suggestions and constructive criticisms for the successful completion of this work.

I am deeply indebted to Dr. Shankar Shashidhar, Director, School of Biosciences Mahatma Gandhi University for the sincere support and suggestions for completing this work fruitfully.

I owe my deep sense of gratitude to Rev. Dr. Mathew Malaeparambil, Principal, St. Thomas College, Pala for his keen interest in the work and constant encouragement throughout the period of this study.

I am thankful to Dr. Jyothis Mathew, Lecturer in Microbiology, School of Biosciences for his valuable suggestions.

I acknowledge my deep sense of gratitude to Dr. Babu Philip, Professor and Head, School of Marine Sciences, CUSAT for his wholehearted help at times of ordeal.

I am deeply indebted to the Management of my Alma Mater, Alphonsa College, Pala for deputing me for Ph. D. I earnestly thank Rev. Fr. Philip Njaralakkattu, Manager, Rev. Sr. Mable, Principal and Rev. Sr. Leoba, Vice-Principal for their prayerful support and invaluable assistance. Also I acknowledge the unaccountable help from my teachers and colleagues in the Department of Chemistry, Alphonsa College, Pala.

I am very much thankful to Rev. Fr. Baby Sebastian, Senior Lecturer, St. Thomas College, Pala for giving guidance at the onset of the study.

I am grateful to the UGC for granting me a Teacher Research Fellowship to complete my research.

I express my sincere gratitude to Dr. J. Shanmugam former Professor and Head, Microbiology Division, SCTIMST, Trivandrum for providing training programme in Microbiology and other key facilities and who was always there to assist, support and encourage me at times of need.
I take this opportunity to thank the teaching, non-teaching and technical staff members of the School of Biosciences for their valuable help. I remember with thanks the support from my fellow research scholars.

My sincere thanks are due to Dr. Anil, SIF, IISc, Bangalore, Dr. Chempakam and Dr. John Zacharia IISR, Calicut, Dr. Chandrasekharan, AFAQCL, Namakkai, Dr. C.R. Chenthamarakshan, Department of Chemistry and Biochemistry, Texas, Dr. K.K. Vijayan, Department of Chemistry, Calicut University, Dr. K.K. Jose, St.Thomas College, Pala, Dr. Beena Joy R.R.L. Trivandrum, P. J. Mathew, A.G.M. and Anil Kumar, Quality Control, Synthite Chemical Industries Ltd., Kolencherry and Joy Thomas Deepika, Kottayam for their help at different stages of this work.

With deep love and gratitude I remember Prof. V.O. Chummar Department of English, St. Thomas College, Pala and Dr. Rajesh M.G., S.B. College, Changanacherry for their assistance in proof reading of the dissertation.

I would like to give a special word of thanks to the Librarian and staff members of the various libraries I have visited especially to Sri. Raju of Mahatma Gandhi University for their sincere efforts and valuable help in providing key facilities.

I am grateful to Mr. Jojo and other members of Ms Copy Write, Ettumanoor for their very sincere help and cooperation.

I am deeply indebted to my superiors and the sisters of the SACRED HEART CONGREGATION, for their love and encouragement. My sincere thanks to my parents and all my dear and near ones who have made this task a reality by their concern and support.

Above all I thank Almighty God for being with me always.

THANKS FOR ALL THAT HAS BEEN.
YES, THANKS FOR ALL THAT WILL BE.

Elsamma Thomas
