ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Dr.C.K. Radhakrishnan, Senior Lecturer, School of Marine Sciences, Cochin University of Science and Technology for suggesting this topic, constant guidance, and encouragement throughout the period of my research work.

I am indebted to Prof. (Dr.) N. Ravindranatha Menon, Director, School of Marine Sciences and Head, Division of Marine Biology, Microbiology and Biochemistry, School of Marine Sciences, Cochin University of Science and Technology for providing me all the facilities and encouragement during the tenure of my work.

I am greatly thankful to the late Prof. (Dr.) P.N.K. Nambisan, Former Director, School of Marine Sciences for his invaluable help and encouragement during the period of my research.

My sincere thanks are due to Shri. H. Krishna Iyer, Principal Scientist, C.I.F.T., Cochin, Dr. M.V. Mohan, Assistant Professor, Rice Research Station, Vyttila, Shri. T.M. Sankaran, Associate Professor, Fisheries College, Panangad, Shri. T. Prabhakaran Nair, Scientist - SG and Shri. Narayana Kurup, Scientist - SG., C.M.F.R.I., Cochin and Dr. Mohammed Salih, K.Y.M., Reader, School of Marine Sciences, Cochin University of Science and Technology, Cochin for their valuable help and support.

Thanks are also due to British museum and also to Dr. Akimichi Hosomi, Japan for their help in the identification of the test organism.
I thank the authorities of Cochin University of Science and Technology for awarding me a fellowship and for providing all the necessary facilities for the successful completion of my research work.

I would like to express my sincere thanks to Miss. Reethamma, O.V., Dr. Suresh, K., Mr. Maqbool, T.K., Dr. Suresh, P.G., Dr. Asok Kumar, K., Dr. Philip Mathew, Mr. Padmasenan, R. and all others who have been helpful in one way or the other during the period of research work.

SHINY SREEDHAR, K.
