Dedication

Every challenging work needs self efforts as well as guidance of elders especially those who were very close to our heart.

My humble effort I dedicate to my sweet and loving

Father & Mother,

Whose affection, love, encouragement and prays of day and night make me able to get such success and honour.
ACKNOWLEDGEMENT

“Gratitude makes our sense of past, brings peace for today and creates a vision for tomorrow.”

- Melody Beattie

Thanking those who helped me through this journey seems to be a pleasant task. The research has been possible due to invaluable support of a number of people without whose help I may not have been able to complete my work.

I wish to offer my heartfelt gratitude to my respected supervisor Dr. Dileep Singh, for showing me the lighted path of the knowledge treading on which the present research has been accomplished. Without his devotion and commitment towards academic and research, the present study would not have taken the present shape.

I am thankful to Prof. Navin Mathur, Head, Department of Business administration, University of Rajasthan, Jaipur for the department help he rendered during the progress of the study.

I am grateful to all my family members and friends who consistently prodded me to work harder. I am grateful to all the respondents who have given their whole hearted cooperation and support by way of giving response to the questionnaire.

I am thankful to the library authorities and concerned staff of the central library, University of Rajasthan, Jaipur. I am also thankful to the non-teaching staff of the department for providing the necessary material.

Finally, I would like to thank others who consciously and unconsciously have helped me in carrying out this research.
