

Acknowledgements

Everything in this world is achieved with the blessings of the almighty and our faith in him and with his name I commenced my thesis.

It gives me immense pleasure to express my sound perception of gratitude and humble regards to my supervisor **Dr. Sabhyata Bhatia** for **his** excellent guidance, unflinching support, suggestions and encouragements throughout the course of this study. I am grateful to her for inculcating and infusing in me the confidence to take up challenges, ability to think big and to be an independent researcher. Her friendliness nature, enthusiasm, always finding a better way of writing something and practical approach towards life has always motivated me during the course of my Ph.D.

I render my sincere thanks to **Prof. Asis Datta**, Ex- Director, National Institute for Plant Genome Research, New Delhi, for providing the research facilities to complete this research. I thank **Dr. Sudip Chattopadhyay**, **Prof. Sushil Kumar**, **Dr. Debasis Chattopadhyay**, **Dr. Niranjan Chakraborty**, **Dr. Subhira Chakraborty**, **Dr. Alok Krishna Sinha**, **Dr. Manoj Prasad**, **Dr. Praveen Verma** and **Late Dr. Jayanti Sen** for their timely advice and cooperation.

I would be failing in my duty if I don't express my thanks to my teachers **Prof. T.C. Bhalla** and **Dr. Arvind Bhatt** (H.P. University) who always encouraged me to pursue science.

I am thankful to **University Grants Commission (UGC)**, India, for providing me the **financial** support for carrying out this investigation and **NIPGR** for in-kind support.

During my years at **NIPGR**, I have met a lot of people that filled my achievements with loads of fun, joy, happiness and everlasting memories. From the first day I stepped in the lab, I got constant help and guidance from my seniors **Dr. Bhumika Shokeen** and **Dr. Niroj Setfy** which was unforgettable. My achievements during my research work reflect the support and help provided by them. **Bhumika Shokeen** with an endless helping altitude solves my difficulties and confusion at every step and done extensive efforts in critically evaluating and giving valuable comments for my thesis. I would also like to give a big thanks to **Rashmi** for being helpful and trustful friend. I also acknowledge my labmates- **Santosh**, **Priyanka**, **Shefali**, **Sumit** and **Dr. Divya Srivastava** for their cooperation and support.

I give my special thanks to **Drs. Varsha di, Rakesh shukla, Jyoti di, Kundu da**, for their concern and valuable suggestions at times. I shall always cherish the love, encouragement and care endowed by them. I am highly thankful to all my juniors **Parul, Deepti, Monica, Prabhakar, Kundan, Sushil**, for their support and timely help.

My note of acknowledgements would be incomplete if I forget the most hard working and happy people who all ease my burden- the trainees associated with me- **Rohit, Saurabh, Gaurav, Ragvendra, Jayasmita and Chetan**.

I am equally thankful to my batchmates **Vinay, Kamal, Ramayya, Manikant, Santosh, Aarti**, and **Nasheeman** all of whom have greatly assisted me during this study. A special thanks goes to **Vineeta and Arachna** who is always with me at the time of need.

The technical support and assistance of **Mr. Rajendra kumar, Arun, Ashok ji, Shobharam ji, Negi ji, and Surendra** was important and I acknowledge all of them with sincere thanks. I am deeply indebted to **Bahadur ji, Manmohan ji and Mishra ji** for generous help at various times in the present study.

Life is just not professional; it has its root under the roof of loved ones. I greatly feel that the patience and faith by **My Family** in me has made me strong enough to face any situation.

The love of **Bhabhi-Bhaiya** and cheerful **Manas** has always smoothened my path and has helped me in achieving my goals. My younger brother **Deepankar** deserves a very special thanks as he has always boosted my morale by having faith in me and by just loving me. But still it is **My Mummy Papa**, who is always present in person to hold me whenever I am in need. I know that words can never express the gratitude I have for them but still "**My Sincere Thanks**" to them for believing in me, and I will always be in debt for what they all have done for me.

Finally, but not least, I wish to thank **Pritesh Gupta** for his love and always been source of positive thoughts and strong determination that has given me the inspiration and impetus to finally complete this thesis. I look forward to now relaxing and enjoying a happy future together!

Shalu Choudhary
