I have been able to complete this work because of several friends and well-wishers who helped in many ways. Given the obviously modest and slight nature of the Thesis, a list of all of them will be disconcertingly long. I must, however, mention the following: Rajendra Vora, Prarthana Kalaskar, Michael McGhee, G. Haragopal, and Suhas Palshikar. I would like to thank them all and enter the usual caveat regarding authorial responsibility.

The translation of the relevant parts of Karl Löwith, Von Hegel Zu Nietzsche, used for Chapter Four, is by Prarthana Kalaskar and Mary John; the translation of the relevant entries from Grand Dictionnaire Encyclopédique Larousse, Tome II, and Meyer Grosse Universal Lexikon, Band 2, used for Note 46 of Chapter Three, is by Prarthana Kalaskar.
