ACKNOWLEDGEMENT

I express my sincere gratitude to Dr. M.H. Qureshi for his untiring guidance and encouragement to make this work a success. I am obliged to him for his valuable comments, suggestions and devoting his valuable time to go through the manuscripts. I am also obliged to faculty members of CSRĐ, particularly Prof. K.S. Sivasami and Dr. Sachidanand Sinha, for encouragement and giving valuable suggestions during the course of the present study.

I am grateful to the officials and staff of CAD, IGCP, Bikaner and other departments of IGCP for providing me the access to official documents and secondary information. I am also thankful to the residents of 9MND, 8SHPD, 1LSM and Jagdevwala villages who provided me the required information during the course of the field survey. It was a wonderful experience and I never felt alone among these hospitable people. I am at loss of words while expressing gratitude to my wife who has helped and encouraged me at every stage of this study.
My thanks are due to -

* Mr. Muralidhar, Computer Programmer, School of Social Sciences and Sunil Batra for their help in computing the data.

* Suresh for providing all possible help in cartographic techniques.

* My friends Iqbal, Rupinder, Vikram, Amita, Prasad, Yusuf, Surajbhan and Bhupinder for encouragement and other possible help at various stages of the present study.

* and last but not the least, Venugopal for word processing and typing manuscripts in time and neatly.
