ACKNOWLEDGEMENT

The utmost satisfaction of a researcher lies as much in the completion of the task as in writing up the page of acknowledgement extolling one's sincere gratitude to the persons who contributed in innumerable ways to make the piece of research a success. In order to discharge that pleasant task I would, at the outset, like to express my gratefulness to my supervisor Dr. (Mrs.) Sushila Singhal, for her constant intellectual support, sincere guidance and invaluable suggestions all through my efforts. She has steered me clear of all the hurdles on the way. I simply acknowledge her contribution with reverence and regards.

I am thankful to my employers, in the Education Dept., Govt. of Orissa, for sanctioning me study leave for a period of two years to facilitate my studies at JNU.

Luckily for me all the local officials in Phulbani were very much helpful and cooperative during my field work. I record my sincere thanks to Sri. P. Dhall (Executive Engineer), Sri. Gopinath Bisoyi (B. D. O), Sri. B.C. Das (D. W. O), Ms. Mary Kurien (A. D. W. O) for all the help and assistance rendered by them during my brief sojourn in the area. My special thanks go to Prof. Samarendra Mohanty, Sri. Jitendra Mohanty, my elder brothers, Sri. T. Patnaik, Sri. B. K. Sahu, Ms. Binoylaxmi Mohanty, Sri. P. Acharya, Sri. Pandava Mahakud for giving me periodical company and helping me in various ways during my field work.

There was tremendous enthusiasm among the teachers, students and their parents who participated wholeheartedly in my research programme. All of them have contributed in one way or the other in shaping my research work and do deserve my sincere thanks and good wishes.
I must extend my warmest gratitude to my sisters Dr. (Mrs.) Pushpa Asthana, Mrs. Asthaik and my brother-in-law Wg. Cdr. Pravakar Asthain for their consistent encouragement and reassurances which enabled me to concentrate on my work.

I am grateful to my teachers, Dr. F.M. Sahoo, Dr. P.K. Mishra and Dr. P.K. Rath at the CAS in Psychology, Utkal University, Orissa, for their suggestions which helped me in many ways in writing the thesis. My special thanks go to my nephew, Vivek Asthana for providing me computer assistance in graphics. I am extremely thankful to the staff of JNU and NCERT libraries for their help.

I extend my thankfulness to my parents, other family members and friends like Subhashree, Shahenaz, Savitree, Sanghamitra and Nirupama who throughout the period of research work kept on encouraging me to carry out my work with full commitment, patience and devotion. Finally my warmest thanks go to Mrs. T. Kameswari who has taken utmost pains and meticulous care to type out the manuscript.

Whatever shortcomings this thesis might be having, the responsibility is mine.
