Acknowledgements

First and Foremost all praise is to ALLAH, the Almighty, the greatest of all, most beneficent and merciful on whom ultimately we depend for sustenance and guidance. Thanks to almighty for giving me the opportunity, determination and strength to complete my research.

At this stage of my career, I would like to express my sincere gratitude to my supervisor Prof. Bilqees Bano for her kind guidance, continuous support, patience, motivation and motherly affection during my Ph.D. I could not have imagine a better advisor and mentor.

I feel indebted to convey my gratitude to all those who have supported me in achieving my research pursuit. A special mention of Prof. Imrana Naseem, Chairperson Department of Biochemistry, Aligarh Muslim University, for ensuring all the facilities, and for her constant support and encouragement throughout my research work, I would like to thank all the faculty members of Department of Biochemistry: Prof. S.M. Hadi, Prof. Masood Ahmad, Prof. Naheed Bano, Prof. Qayyum Hussain, Prof. Riyaz Mahmood, Prof. Mohammad Tabish, Dr. Fahim Halim Khan, Dr. Farah Khan and Dr. Aabgeena Naeem for their kind suggestions during various phases of my academic career and all the teachers who taught me during B.Sc. and M.Sc. classes.

I feel highly grateful to Mr. and Mrs. Suhail Sabir (Prof., Dept. of Chemistry) who were always there for me in all the difficulties and ups and downs of my life. They always wished to see me on the top of this world. Their support and affection surpassed my expectations of generosity, care and love. They are like my second parents.

My lab mates Medha apa, Faisal bhai, Azad bhai, Sheraz, Shumaila, Waseem Feeroze, Sharique, Ana, Faizan, Anas, Aijaz and all others deserve special thanks for helping me in my research and maintaining a happy soothing environment in the lab.

Owing immeasurable debts of cares and companionship, I thank all my batch mates and friends Arif, Ahmed Neyaz, Asad, Sheraz, Ahmed Abdul Rehman, Tarique, Saeed, Furqan, Aazam, Ghani, Hassan, Ilmi, Aamir, Maaz, M. Iftekhar, Shakeel bhai, Hanan, Nabeel, Irfan, Faraz bhai, Zeeshan, Shoab, Shoeb (ICB), Masih, Rehan, Riswan and Zaara for their cheering presence whenever I needed any help and providing me moral and emotional support. I can never forget my friend (Late) Mohd. Asif Hussain with whom I spent most of my childhood and we entered the University together but he left too early leaving behind those happy moment we cherished together along with the tears in my eyes. He always encouraged me in adverse situations of life and inspired me. May his soul rest in peace. I specially want to thank Mubashshir and Areeba and their family for the emotional and moral support and always being there whenever I was in need of any kind of help.
I would like to convey my sincere thanks to all my seniors in the department and outside especially Abu Bakr bhai, Kaiser bhai, Naveed bhai, Zoheb bhai, Haseeb bhai and Wasim bhai for their patronage, useful advices and friendliness. I sincerely thank Humaira apa and Aaliya apa for boosting my moral and inculcating in me the ability to take failure in stride and bounce back higher and stronger. A sincere thanks to all the research scholars at the Dept. of Biochemistry especially Maryam, Irshad, Aijaz and Nikhil for their endless cooperation. Heartiest thanks my wonderful juniors especially Shamoon, Ali, Fuzail, Amin, Mohammad Alserhani and Shalini for the love and respect they extended to me. It gave me a sense of belonging and I am really very thankful to them for being there for me whenever I needed them the most.

I am very thankful to all the non-teaching staff of our department for extending timely help.

I feel blessed to have loving and caring siblings, Sayema, Aslam, Fatima and Aamna. Their suavity relieved me from my turmoil, and I am really grateful for the care and love they always showed. I love to thank my uncles and all the family members for always being there for me. I feel so lucky that I have such a long list of people who love me that I cannot mention the names of all of them in such a short page. I would like to thank all of them for their love and support.

University Grants Commission (UGC), New Delhi is highly acknowledged for providing research fellowship during my Ph.D. I am thankful to Aligarh Muslim University, Aligarh for providing all the necessary facilities.

I can never thank enough to my Parents who left no stone unturned to make me whatever I am today. Their sacrifice, unconditional love and support have no comparison, making me realize that parents are the most noble and concerned human beings on this planet. This thesis is dedicated to them.
