LIST OF GRAPHS

Graph in Chapter Four Section-A
Graph 1: Comparative figure for item 6. 99

Graph in Chapter Four Section-B
Graph 2: Comparative figure for item 6. 139

Graphs in Chapter Four Section-C
Graph 3: Ability to understand questions raised by other students and to follow class-discussion 150
Graph 4: Ability to understand lectures in orders to take notes 151
Graph 5: Ability to follow and understand class- lectures 152
Graph 6: Ability to understand radio and T.V. programs 153
Graph 7: Comparative graph of the sub skills of listening comprehension opted as most important 153
Graph 8: Comparative graph of the sub skills of the listening comprehension opted as least important 154
Graph 9: Ability to raise questions in the class 155
Graph 10: Ability to speak to foreigners’ 156
Graph 11: Ability to speak intelligibly 157
Graph 12: Ability to present oral-reports in classroom 158
Graph 13: Comparative graph of the sub skills of speaking opted as most important 158
Graph 14: Comparative graph of the sub skills of the speaking skill opted as least important 159
Graph 15: Reading to understand tests 160
Graph 16: Reading texts books 161
Graph 17: Reading Newspapers 162
Graph 18: Reading Story books/Novels 163
Graph 19: Comparative graph of the sub skills of reading skill opted as most important 163
Graph 20: Comparative graph of the sub skills of the reading skill opted as least important 164
Graph 21: Writing Personal letters 165
Graph 22: Writing applications and filling out forms
Graph 23: Writing class-notes
Graph 24: Writing test answers
Graph 25: Comparative graph of the sub skills of writing skill opted as most important
Graph 26: Comparative graph of the sub skills of the writing skill opted as least important
Graph 27: Comparison of ability in listening comprehension between BSEB and CBSE students
Graph 28: Comparison of ability in speaking skill between BSEB and CBSE students
Graph 29: Comparison of ability in reading skill between BSEB and CBSE students
Graph 30: Comparison of ability in writing skill between BSEB and CBSE students
Graph 31: I like talking about my opinions, way of thinking, lifestyle, likes and dislikes.
Graph 32: I like studying content from other subjects (science, geography, history, etc.)
Graph 33: I like talking about music, movies, television, comics, and popular culture.
Graph 34: I like talking about recent news, current events, etc.
Graph 35: I like controversial topics, such as euthanasia, international problems, etc.
Graph 36: I like studying about other countries customs and cultures.
Graph 37: I like studying by myself.
Graph 38: I like studying from textbooks, vocabulary books, example problem books, etc.
Graph 39: I like listening to teacher stories and explanations
Graph 40: I like watching DVDs and videos
Graph 41: I want to improve my listening skills in particular
Graph 42: I want to improve my speaking skills in particular
Graph 43: I want to improve my reading skills in particular
Graph 44: I want to improve my writing skills in particular
Graph 45: I want to improve my grammar in particular 188
Graph 46: I want to improve my pronunciation in particular 189
Graph 47: I like using the internet in English 190
Graph 48: I like speaking English with foreigners 191
Graph 49: I like speaking English with classmates 192
Graph 50: I like watching English movies and TV 193
Graph 51: I like listening to English music 194
Graph 52: I think I can check my progress by being graded or evaluated by a teacher 195
Graph 53: I think I can check my progress by being corrected (or not) by teachers in class 196
Graph 54: I think I can check my progress through self-evaluation 197
Graph 55: I think I can check my progress by through peer comments and evaluation 198
