ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to my teacher and research supervisor Dr. S. Basavarajappa, Assistant Professor, Department of Studies in Zoology, University of Mysore, Mysuru, for his judicious blend of guidance, perspective criticism, abundant encouragement and unfailing interest which has enabled me to complete this work.

I am thankful to the present Chairperson Prof. B. V. Shyamala, Department of Studies in Zoology, University of Mysore, Mysuru and all former Chairmen of the Department of Studies in Zoology, University of Mysore, Mysuru for their constant encouragement and valuable help in providing the required research facilities in the Department. I express my sincere gratitude to present and former Doctoral Committee Members Prof. V. A. Vijayan, Prof. Prakash R. Naik, Prof. Sadananda M. Yamakanamardi, Prof. H. N. Yajurvedi, Prof. B. V. Shyamala and Prof. M. Bhagya for their valuable suggestions. I am also grateful to all the faculty members of Zoology Department for their encouragement.

I am thankful to The Director, Indian Meteorological Station, Bangalore for providing me the meteorological details of Chamarajanagar District. My special thanks to District Statistical Office, Chamarajanagar for providing me the statistical data.

I wish to express my sincere thanks to Sri. Gopikrishna, V and Smt. Amulya, NCS. Bangalore for their help and encouragement during my research days.

Further, I would like to acknowledge my deep sense of gratitude to Research Scholars, M. Phil, colleagues and my friend Dr. K. S. Raghunandhan, Apidology Laboratory, DOS in Zoology and for their co-operation and help extended during my research work.
I wish to express my sincere thanks to Fellow Research Scholars, DOS in Zoology, MGM for their timely help. My thanks are also due to all my friends, who have helped me during my field studies.

I owe an immense sense of gratitude to my parents Sri. N. Subramanya and Smt. K. T. Nagamani, whose patience, unstinted help, consistent encouragement and willing cooperation has helped me to accomplish my research work in an uninterrupted manner. My special thanks to my loving sister Smt. S. Kavitha and my brother-in-law Sri. H. R. Sarvotham and my nephew for their constant support and encouragement.
