Acknowledgement

It will take unlimited pages to acknowledge everyone who is someway or the other helped me all along my path of reaching this goal but certain individuals need special thanks for their valuable support.

First and foremost, will all my heart, I would like to express my deepest gratitude and privilege for having been associated with Dr. P K Jain, MD, MNAMS, Professor and Head, Department of Medicine, M L B Medical College Jhansi. I feel extremely fortunate and blessed that I got an opportunity to work under his guidance. His constant teaching supervision, valuable criticism, affection and encouragement has pruned my work time and again in the right direction and has made this difficult task possible for me. What he had done for the students, patients, this institution and for the humanity, will be remembered for many many years.

When Su took the charge of head of department, after some time everyone saw a wonderful change in activities, academics and working efficiency of the department and this institution as well. His footprints shall always be a source of guidance for every student of this institution in future life and his achievements shall always encourage and help me to find success hereafter.

I am filled with deep sense of obligation towards Dr. N S Sengar MD, DM (Nephrology), Associate Professor, Department of Medicine, M L B Medical College Jhansi, who worked as my co-guide during all this work, his energetic way of working and devotion will always act as a guide for we people in future. The luminous guidance provided by him in guiding my work from time to time has helped me to finish this difficult task successfully.
I am greatly thankful to Dr. Navneet Agarwal M.D. and Dr. Praveen Kumar Jain M.D. DM (Cardiology), Professors, Department of Medicine M L B Medical College Jhansi for their constant inspiration and guidance throughout my work.

I pay my sincere thanks to Dr. Gyanendra Kumar M.D. Asst. Professor of Psychiatry, and Dr. Nutan Agarwal M.D. Lecturer, Department of Medicine M L B Medical College Jhansi for their continuous encouragement and inspiration throughout my work.

I am also thankful to my colleagues and juniors who supported me throughout the time and when I needed any kind of help, they were always with me.

Each cell of my body indebted to my parents for their love and affection, care, moral support, blessings and constant encouragement not only throughout this work but throughout my life. I am also grateful to my dear friends and family members for their constant encouragement.

I would like to express my thanks to Mr. Vinod Raikwar (V.K. Graphics, Medical Campus), with his meticulous typing and humble nature formed an inseparable part of this work. He did the typing work even at odd hours.

I shall fail all my thanks if I do not convey all my thanks and respect to all the people who took part in this work and helped it become a complete study, which reached conclusion.
