Chapters

1 : Introduction 1-24
1.1 Background
1.2 Location and Boundaries of the Study Area
1.3 Rationale of the Study
1.4 Objectives
1.5 Literature Review
1.6. Methodology
1.7 Gaps and Constraints
1.8 Structure of the Thesis

2. Physical and Cultural Background of the Study Area 25-75
2.1 Introducing the Study Area
2.2 Geology
2.3 Hydro-geological set up
2.4 The Rivers of Nadia District
2.5 Arsenic Affected Areas
2.6 Topography and Natural Configuration
2.7 Floods as an Environmental Hazard in Nadia District
2.8 Climatic Characteristic of Nadia district
2.9 Soil Conditions
2.10 Distribution and Characteristics of Vegetation in Nadia District
2.11. Socio-Cultural Scenario: Population and Demography
2.12 Conclusion

3. Dimensions of Agricultural Development in Nadia District 76-156
3.1 Introduction
3.2 Historical Background of Agriculture in Nadia
3.3 Major Crops of Nadia District
3.4 Crop Varieties
3.5 Cropping Pattern and Crop Sequences
3.6 Horticulture Status and Constraints
3.7 Conditions of Soils and Associated Cultivation
3.8 Relation Between Land Distribution and Agricultural Development
3.9 Relation Between Irrigation and Agricultural Development
3.10 Agricultural Productivity of Nadia District
3.11 Agricultural Productivity in Nadia: An analytical approach
3.12 Changing Pattern of the Agricultural Economy in Nadia District
3.13 Structural Changes of Agricultural Production in Nadia District
3.14 Soil Management and Trend Analysis of Fertilizers and Farm Yard Manure
3.15 Conclusion

4. Impact and Scope of Agricultural Marketing in Nadia District
4.1 Introduction
4.2 Nature and Structure Analysis of Agricultural Marketing in Nadia District:
4.3 Characteristics of Rural Market in Nadia District
4.4 Operational Efficiency of Selected Rural Markets in Nadia District:
4.5 Relative Profitability of Rural Markets in Nadia District
4.6 Salient Features of Regulated Market
4.7 Stages of Processing and Storage in Agricultural Marketing
4.8 Stages of Transportation in Agricultural Marketing System
4.9 Inadequacies in the Present Marketing System of Nadia district
4.10 Concept of Cooperative Marketing; Steps to be Taken
4.11 Future Challenges in Agricultural Marketing
4.12 Transformation of Agricultural Markets
4.13 Conclusion

5. Case Study
5.1 Introduction
5.2 Boro Paddy- An Analysis
5.3 Potato Cultivation- An Analysis
5.4 Mustard Cultivation- An Analysis
5.5 Evaluation of Cost and Returns of Selected Crops in Nadia district
5.6 Conclusion

6. Status and Prospect of Food Processing Industry: The Means of Rural Industrialisation in Nadia District
6.1 Introduction
6.2 Food Processing: A Compelling Need
6.3 Role of Horticultural Products in Rural Development
6.4 Problems of Fruit and Vegetable Preservation in Nadia
6.5 Emerging Trends in Food Processing
6.6 The Status and Spatial Distribution of Agro Industrial Crops in Nadia
6.7 Status of Agro-based Food Processing Industries in Nadia District
6.8 Industrial Intensity of Nadia district: A Block-wise Variation
6.9 Food Processing Industry in Nadia: Nature and Evolution
6.10 The Importance of D.I.C in Promoting Rural Industries
6.11. Overall Strategy for Rural Industrialization in Nadia District
6.12. SWOT Analysis of Agro-based Food Processing Industry in Nadia
6.13. FDI in Agro-based Food Processing Sector: Costs and Benefits
6.14. Conclusion

7. Financial Background for the Development of Agriculture and Food Processing Industry 316-362
7.1 Introduction
7.2 Historical Perspective of Banking Sector for Agro-finance in Nadia District
7.3. Agricultural Credit by NABARD in Nadia
7.4. Role of Macro Finance or Sectoral Financing
7.5. Role of Micro Level Finance:
7.6 Role of Commercial Bank and Public Finance
7.7. Functions and Role of Cooperatives in Nadia
7.8. Role of Kisan Credit Card in Rural Development in Nadia
7.9. Conclusion

8. Conclusion 363-382
8.1. Introduction
8.2. Selection of Nadia District as Study Area
8.3. Major Crops of Nadia District
8.4. Varieties of Crops
8.5. Changing Scenario of Crop Production
8.6. Analysis of the Changing Nature of Agriculture
8.7. Stages of Storage
8.8. Strategies for Rural Development
8.9. Role of Agriculture in Future
8.10. Need to Integrate Farm and Non-farm Sector
8.12. Steps to be Taken in Future
8.13. Further Scope of Research

List of Frequently Used Local and Colloquial Terms 383-384

Appendices 385-422

Appendix II.a. Maximum and Minimum Temperature, Krishnanagar, Nadia
Appendix II.b. Normal and Actual Rainfall in the District of Nadia

Appendix III a. Yield Rates of Rices in the District of Nadia
Appendix III b. Yield Rates of Miscellaneous Crops in the District of Nadia
Appendix III c. Distribution of Pattaders According to the Period of Receipt of Patta
Appendix III.d. District wise Progress of Beneficiary in Agrarian Reform Programmes (September 2003)
Appendix III.e. Sources of Minor Irrigation, Nadia
Appendix III.f. Block-wise Fluctuation of Gross Irrigated Area in Nadia District
Appendix III.g. Determination of Index Value of Agricultural Crops, Nadia 2007-08
Appendix III.h. Evolution of Foodgrains Production, Nadia
Appendix III.i. Difference of Area of Major Agricultural Products in Percentage, Nadia (1992-93 to 2007-08)
Appendix III.j. Difference of Yield of Major Agricultural Products in Percentage, Nadia (1992-93 to 2007-08)
Appendix III.k. Estimation of Cost and Returns of Major Crops, Nadia, 1975-76
Appendix III.l. Chronology of Net Sown Area, Nadia District (1960-61 to 2009-10)
Appendix III.m. Use of Different Chemical Fertilizers, Nadia District (1970-71 to 2005-06)
Appendix III.n. Principal Component Analysis of Input Component of Nadia District -2003-04
Appendix III.o. "Z" Values for Principal Component Analysis of Input Component of Nadia District -2003-04

Appendix IV.a. Location of Rural Markets and Distance from Block Head Quarter, Nadia, 2001
Appendix IV.B.a Account of Monthly Arrival and Dispatch of Rice from Ranaghat Market
Appendix IV.B.b Account of Monthly Arrival and Dispatch of Wheat from Ranaghat Market
Appendix IV.B.c Account of Monthly Arrival and Dispatch of Jute from Ranaghat Market
Appendix IV.C. Different Amenities and Facilities for Operational Efficiency of Rural Markets in Nadia District
Appendix IV.d. Status of Roads Maintained by Different Agencies, 2007-08, Nadia District

Appendix V.a. Questionnaire on Agriculture for Primary Survey
Appendix V.b. Size of Farm of Interviewee Cultivators
Appendix V.c. Size of Farm-Amount of Seed and Rate of Seed
Boro Paddy Cultivation: Balarampur and Alaipur Village, Chakdaha Block
Appendix V.d. Size of Farm-Amount of D.A.P -Rate of D.A.P- Amount of Urea
-Rate of UreaBoro Paddy Cultivation: Balarampur and Alaipur Village, Chakdaha
Appendix V.e Size of Farm-No. of Labourer-Rate of Labourer and Amount of Production Boro Paddy Cultivation: Balarampur and Alaipur Village, Chakdaha Block
Appendix V.f. Size of Farm-Amount of Seed-Rate of Seed-Amount of D.A.P-Rate of D.A.P-Amout of Urea-Rate of Urea- No. of Labourer-Rate of Labourer and Amount of Production: Potato Cultivation: Dadupur and Chichuria Village, Nakashipara Block
Appendix V.g. Size of Farm-Amount of Seed and Rate of Seed Mustard Cultivation: Pathar Ghati and Binodnagar Village, Block Tehatta-I
Appendix V.h. Size of Farm-Amount of D.A.P -Rate of D.A.P- Amount of Urea -Rate of Urea Mustard Cultivation: Pathar Ghati and Binodnagar Village, Tehatta-I
Appendix V.i. Size of Farm-No. of Labourer-Rate of Labourer and Amount of Production Mustard Cultivation: Pathar Ghati and Binodnagar Village, Block Tehatta-I
Appendix V.j. Insecticide Available in the Markets of Nadia District
Appendix V.k. Fungicides and Herbicides Available in the Markets of Nadia District

Appendix VI.a. Difference Between Targeted Area and Actual Area of Different Agro-industrial Crops in Nadia District, 2006-07
Appendix VI.b. Total Investment in Different Sectors of Processing Industry, Nadia District
Appendix VI.c. Total Turnover and Employment in Different Sectors of Processing Industry, Nadia
Appendix VI.d. Total No. of Establishment of Different Agro-based Processing Industry, Nadia District (2006-07 to 2010-11)

Appendix VII a. Sector-wise Allocation of Loan by NABARD in Nadia District.
Appendix VII b. Review of Farm Mechanisation Credit
Appendix VII c. Review of Water Resource Credit
Appendix VII d. Assessment and Phasing of the Potential on Account of Storage Facility
Appendix VII e. Assessment and Phasing of the Potential of Food processing Industry (2005-06 to 2011 – 12)
Appendix VII f. Conditions of Central Cooperative Bank. Nadia
Appendix VII g. Block-wise Conditions of KCC, Disbursement of Loan and SHGs in Nadia, 2012-13

Bibliography 423-430
