I would like to offer indebtedness with very respectful gratitude to my research guide, Dr. (Mrs.) Sheela Mukherji, Asst. Director and Head of the Biophysics Deptt., Chittaranjan National Cancer Institute, Calcutta, who, in the midst of her many pressing duties, was kind enough for shouldering the stiff responsibility of designing this project, to give me the benefit of her constant valuable guidance, render her most gracious encouragement during the course of this research and to read carefully the long manuscript.

I am grateful to Dr. (Mrs.) Jayasree Roychowdhury, Director, Chittaranjan National Cancer Institute, who allowed me to carry on my research work and for providing me with laboratory facilities.

I convey my deepest gratitude to Mr. Kanailal Bhattacharya, Former Asst. Director and Head, Biophysics Deptt., Chittaranjan National Cancer Institute for his valuable advice and helpful suggestions during the period of study.

I take this opportunity to thank Dr. Ashoke Ranjan Karuri for his active co-operation and helpful contributions to my research work. I thank Dr. Partha Sarathi Dasgupta who helped in my research work in many ways. I thank Mrs. Aruna Mitra for her expertise help in Electron Microscopy.
I offer my deep sense of indebtedness to Dr. Subhankar Maiti, Mr. Shib Sadhan Sinha, Mr. Pradip Dey, Mr. Somenath Bhattacharyya, Mr. Netal Chandra Mondal, Mr. Hironmoy Das, Dr. Debabrata Mukhopadhyay, Miss Ratna Lalwani, Miss Chitra Chowdhury, (Late) Dr. D.N. Kumar and (Late) Uchhap Nayak for their active support and understanding for carrying out of my research work.

I would like to extend my thanks to Dr. Sukta Das, Dr. R.N. Chakraborty, Dr. S.R. Bose, Dr. C.K. Panda, Dr. Asit Dutt, Mr. Debpath Mukherji, Mr. Pankaj Baisya and Mriganka Roy for their valuable suggestions and co-operation.

I thank all the staff members of Chittaranjan National Cancer Institute for their active support and encouragement during this work.

I would like to extend my thanks to Mr. Kamalendu Roy, Mrs. Namita Roy and Mr. Subrata Roy for their constant encouragement.

I remain grateful to my brothers Pradip Majumdar and his wife, Sudip Majumdar and his wife and all of my respected seniors, brothers, sisters and friends for their understanding and help during this work.

I specially thank to Mr. Prabodh Kumar Gantait for typing this thesis with great sincerity.

Finally, I remain ever grateful to my mother, nieces, Indrani and Chandrani, nephew, Badsha and also want to express my deep appreciation to my wife, Sarmistha and son, Samrat who patiently endured the many valuable times that were devoted to writing and who gave encouragement when it was most needed.

Dated, the 12th August 1993

SANDIP KUMAR MAJUMDAR
