ACKNOWLEDGEMENT

Indeed it is my privilege to have worked at Agricultural and Ecological Research Unit (AERU) of Indian Statistical Institute (ISI), Kolkata, India. I hedonism my research work and experienced many things throughout the past few years being here and obtain assistance and moral support from several persons. This is very auspicious moment to articulate my genuine and heartfelt gratitude to all of them.

It gives me immense pleasure to express my deep sense of gratitude and profound thanks to thesis supervisor Dr. Pabitra Banik, Associate professor, AERU, ISI, Kolkata for sagacious guidance, cerebral motivation and freedom to work during the present study and in preparation of the script. His active interest, care, concern and unequivocal help throughout the course of investigation and in the preparation of the manuscript made this a success.

My cordial thanks and appreciations are due to all faculty members, scientific/technical staffs, laboratory assistant/attendants and office/field staffs at both the centers AERU, Kolkata (West Bengal) and Agricultural Experimental Farm, Giridih (Jharkhand) for their constructive criticism and spontaneous aid and lot of cooperation given to me at every walk of work.

I am very grateful to the authorities of ISI (Director and Dean of studies) for conferring me Junior- and then Senior- Research Fellowship and providing all the necessary facilities during my Doctoral programme.

I entail my feelings to philosophical appreciation to my teachers Dr. D. S. Rana, Dr. I. P. S. Ahlawat, Dr. Y. S. Shivsy, Dr. B. G. Shivakumar, Dr. Dinesh Kumar, Dr. A. R. Sharma, Dr. S. N. Sharma, Dr. Shiv Dhar, Dr. B. Gangaiyah, Dr. K. S. Rana, Dr. U. K. Behera, Dr. Ashok Kumar, Dr. L. K. Idnani and Dr. Rajveer Sharma, Principal/Senior Scientists, Division of Agronomy, Indian Agricultural Research Institute, New Delhi for their connoisseur advice and precious suggestions for enriching the contents of this manuscript.
Acknowledgement

I will forever cherish the time that I have spent with my comrades Tanumi Kumar, Surender Singh, Raman Jeet Singh, Debadrata Das, Soumy Sarkar, Sujeet Das, Sanchita, Souvik, Vikash Tripathy, Shivani, Sutrpipta, Bhoodev, Om Prakash, beloved juniors and all for their unrelenting inspiration, constant affection and encouragement. I appreciate with thanks the help and assistance rendered to me by all those whose names could not be specially mentioned.

I am void of words to convey my sense of profuse reverence, indebtedness and trustworthy affection to my parents whose incessant love, dedicated efforts and everlasting inspiration were the great strength to me to accomplish higher studies. I considered myself blessed to having such caring my brothers, sisters-in-law, sisters, brothers-in-law and relatives for their constant support, motivation, encouragement, everlasting love and prayers which help me sail through every phase of life.

At the outset, a million thanks to Almighty GOD who made me this task and every job a success. I humbly offer my heart-felt reverences and inner-touched obeisance to Almighty Saraswati, the Goddess of learning, who enabled me to complete this endeavour successfully.

Last but not least, I wish to acknowledge the persons who have in some way contribution to the outcomes of this title.
