CONTENTS

CHAPTER I: THEORETICAL BACKGROUND OF THE STUDY

1.0 INTRODUCTION ................................................................. 1

1.1 ENVIRONMENTAL EDUCATION – AN OVERVIEW ................. 2

1.1.1 Global Scenario ....................................................... 2

1.1.2 Scenario of India .................................................... 3

1.1.3 Scenario of Iran ..................................................... 6

1.2 CONCEPT AND SCOPE OF ENVIRONMENTAL EDUCATION .... 10

1.2.1 Concept of Environmental Education .......................... 10

1.2.2 Nature and Scope of Environmental Education ................. 13

1.3 AIMS AND OBJECTIVES OF ENVIRONMENTAL EDUCATION . 15

1.4 PRINCIPLES OF ENVIRONMENTAL EDUCATION ................. 19

1.5 ROLE OF TEACHER IN ENVIRONMENTAL EDUCATION .......... 21

1.6 NEED, CONTEXT AND SIGNIFICANCE OF THE STUDY ........ 24

1.7 RESEARCH QUESTIONS FOR THE STUDY .......................... 29

1.8 CHAPTERIZATION ............................................................ 30
3.2.5 Delimitations of the Study

3.3 OPERATIONAL DEFINITIONS OF THE KEY TERMS

3.4 TOOLS USED FOR DATA COLLECTION

3.4.1 Taj Environmental Attitude Scale (TEAS)

3.4.2 Environmental Awareness Test (EAWT)

3.4.3 Attitude Towards Environmental Education Scale (AEES)

3.5 SAMPLE FOR THE STUDY

3.6 PROCEDURE

3.7 STATISTICAL TECHNIQUES USED FOR ANALYSIS OF THE DATA

CHAPTER IV: ANALYSIS OF THE DATA AND INTERPRETATION OF THE RESULTS

4.1 THE LEVELS OF ENVIRONMENTAL ATTITUDE, ENVIRONMENTAL AWARENESS AND ATTITUDE TOWARDS ENVIRONMENTAL EDUCATION OF HIGHER PRIMARY SCHOOL TEACHERS IN MYSORE (INDIA) AND HAMEDAN (IRAN)

4.1.1 Levels of Environmental Attitude – A comparison

4.1.2 Levels of Environmental Awareness – A comparison

4.1.3 Levels of Attitude towards Environmental Education – A comparison
4.2 COMPARISON OF THE ENVIRONMENTAL ATTITUDE, ENVIRONMENTAL AWARENESS AND ATTITUDE TOWARDS ENVIRONMENTAL EDUCATION BETWEEN HIGHER PRIMARY SCHOOL TEACHERS OF MYSORE (INDIA) AND HAMEDAN (IRAN)

4.2.1 Overall differences in the three variables between the two countries

4.2.2 Difference in different areas of Environmental Attitude between higher primary school teachers of Mysore (India) and Hamedan (Iran)

4.2.3 Difference in different areas of Environmental Awareness between higher primary school teachers of Mysore (India) and Hamedan (Iran)

4.3 DIFFERENCE IN ENVIRONMENTAL ATTITUDE IN RELATION TO DIFFERENT TEACHER VARIABLES (GENDER, ACADEMIC QUALIFICATION, LENGTH OF EXPERIENCE AND AREA OF SPECIALIZATION)

4.3.1 Difference in Environmental Attitude between male and female teachers (gender)

4.3.2 Difference in Environmental Attitude among higher primary school teachers with different academic qualifications

4.3.3 Difference in Environmental Attitude between higher primary school teachers of Mysore (India) and Hamedan (Iran) within each category of academic qualification

4.3.3 Difference in Environmental Attitude among teachers with different length of experience

4.3.3.1 Difference in Environmental Attitude between higher primary school teachers of Mysore (India) and Hamedan (Iran) within each category of length of experience
4.3.4 Difference in Environmental Attitude between Arts and Science teachers (area of specialization) 110

4.4 Difference in Environmental Awareness in relation to different teacher variables (gender, academic qualification, length of experience and area of specialization) 111

4.4.1 Difference in Environmental Awareness between male and female teachers (gender) 111

4.4.2 Difference in Environmental Awareness among higher primary school teachers with different academic qualification

4.4.2.1 Difference in Environmental Awareness between higher primary school teachers of Mysore (India) and Hamedan (Iran) within each category of academic qualification 116

4.4.3 Difference in Environmental Awareness among teachers with different length of experience 118

4.4.3.1 Difference in Environmental Awareness between higher primary school teachers of Mysore (India) and Hamedan (Iran) within each category of length of experience 121

4.3.4 Difference in Environmental Awareness between Arts and Science teachers (area of specialization) 123

4.5 Difference in Attitude towards Environmental Education in relation to different teacher variables (gender, academic qualification, length of experience and area of specialization) 124

4.5.1 Difference in Attitude towards Environmental Education between male and female teachers (gender) 124

4.5.2 Difference in Attitude towards Environmental Education among higher primary school teachers with different academic qualification 125
4.5.2.1 Difference in Attitude towards Environmental Education between higher primary school teachers of Mysore (India) and Hamedan (Iran) within each category of academic qualification 128

4.5.3 Difference in Attitude towards Environmental Education among teachers with different length of experience 130

4.5.3.1 Difference in Attitude towards Environmental Education between higher primary school teachers of Mysore (India) and Hamedan (Iran) within each category of length of experience 135

4.5.4 Difference in Attitude towards Environmental Education between Arts and Science teachers (area of specialization) 137

4.6 MAIN EFFECT AND INTERACTION EFFECT OF ENVIRONMENTAL ATTITUDE AND ENVIRONMENTAL AWARENESS ON ATTITUDE TOWARDS ENVIRONMENTAL EDUCATION OF HIGHER PRIMARY SCHOOL TEACHERS 139

4.6.1 Main Effect and Interaction Effect of Environmental Attitude and Environmental Awareness on Attitude towards Environmental Education of higher primary school teachers in the total sample 139

4.6.2 Main Effect and Interaction Effect of Environmental Attitude and Environmental Awareness on Attitude towards Environmental Education of higher primary school teachers of Mysore (India) 141

4.6.3 Main Effect and Interaction Effect of Environmental Attitude and Environmental Awareness on Attitude towards Environmental Education of higher primary school teachers of Hamedan (Iran) 143

CHAPTER V: SUMMARY AND CONCLUSIONS

5.1 INTRODUCTION 146

5.2 NEED, CONTEXT AND SIGNIFICANCE OF THE STUDY 148
