ACKNOWLEDGEMENT

It gives me immense pleasure to express my sincere gratitude to Dr. Dilip D. Dhavale, my research guide, for giving me the opportunity to work under his esteemed guidance and who has been more than a teacher to me. I would like to acknowledge him for his unfailing attention, inspiring guidance, patience and co-operation rendered at every point of time. He always made things simpler when I almost thought I was breaking. Without his unending persistence and constant encouragement this work would have never reached its present stage and never would have come into light. I am thankful to him.

I express my thanks to Prof. R. S. Mali (Vice-Chancellor, North Maharashtra University), Prof. S. R. Gadre (former Head, Department of Chemistry) and Prof. B. S. M. Rao, Head, Department of Chemistry, University of Pune for providing requisite facilities in the department.

I am highly indebted to Prof. N. S. Narasimhan, Prof. M. S. Wadia and Dr. K. G. Marathe for the valuable discussions, constructive criticism and encouragement.

Thanks are also due to Prof. S. L. Kelkar, Prof. R. S. Kusurkar, Dr. M. G. Kulkarni, Dr. P. D. Lokhande, Dr. Saryu Dawavala, and Dr. A. K. Nikumbh for their encouragement and help during the tenure.
