Acknowledgement

Achieving a mile stone for any person alone is extremely difficult, however there are motivators who came across the curvature path like twinkling stars in the sky and make the task much easier. It becomes my humble and foremost duty to acknowledge all of them.

First of all, I bow to almighty for giving me enough strength and patience to carry out this piece of research. This thesis is the most significant scientific accomplishment in my life and it would have been impossible without people who supported and believed in me.

By the grace of Supreme Soul, I take this auspicious opportunity and privilege to express great pleasure, a blend of heartiest thanks, deep sense of gratitude, towards my Supervisor Dr. Sudhanshu, Chief-Mentor, Suresh Gyan Vihar University, for his untiring guidance, constant encouragement, indispensable co-operation and invaluable support throughout the tenure of this work, without which it was not possible to see the light of the day.

I also owe special regards to my co-supervisor, Dr. Ekta Menghani, WOS-A, DST, MGIAS, JECRC University, for her constant pursuance, suggestions, appreciation and guiding concerning every step of my work. I am fortunate to have a co-guide who is source of eternal knowledge, simplicity, confidence, boundless energy and like a fairest blossom which spring from the soul.

I express my deep sense of gratitude to Mr. Sunil Sharma, Chairman, Suresh Gyan Vihar University, who provided me an excellent and healthy environment as well as well equipped facilities, immense cooperation and motivated me to explore new heights in this field to pursue my work.

Very heartfelt thanks to Maj. Gen. B.K.Verma, Pro-President, Suresh Gyan Vihar University, for showing me the path of Ph.D., without his hidden force task would have been impossible.

With humble respect, gratitude and honour, I would like to extend my sincere thanks to Prof. S.C. Dwivedi, Dean of Research, Suresh Gyan Vihar University, for acting as the constant pillar of support and guidance throughout my endeavour. I always had the advantage of his critical advice from his profound knowledge. I shall always be in debt to all the faculty...
members of Biotechnology department, Suresh Gyan Vihar University, for their unflinching support, encouragement and assistance.

I also want to thank Dr. Naveen Hemarjani, Principal of Computer Science Department, Suresh Gyan Vihar University and Prof. P.D. Murarka for their support, encouragement and assistance.

Most importantly, I would like to express much gratitude and love to my respected Father and Mother, Mr. Vijay Kumar Yadav and Mrs. Somwati Yadav. My parents have always provided me with unconditional love. Without their patience and love, I would not have been able to complete this work.

I also like to thank my dearest Brother and Bhabhi, Mr. Amit Kumar Yadav and Mrs. Ayushi Yadav for their love, encouragement, and concern for me.

I feel that it is my solemn duty to acknowledge the debt to I owe to my dear in-laws. Indeed it is difficult to put in words my feelings to express wholehearted thanks to my life partner Mr. Sachin Yadav for his everlasting support, encouragement and caring attitude which made me happy in all odds.

I am also greatful to Mrs. Daya Yadav, Mrs. Owmwati Yadav, Mr. Mahendra Yadav, Mrs. Indra Yadav, Mr. Prabhat Kumar Yadav and Mrs. Prabha Yadav for their help, concrete advice and unstinted cooperation. They imparted direction and substance in bringing this investigation to present form. Their simple conduct and infinite zeal to work unassumingly were a source of inspiration to me in scientific and moral sphere. I also want to thank my elder Sister and Jiju, Mrs. Neha Yadav and Mr. Hitender Yadav, my younger Brother and Sister Samiksha Yadav and Punit Yadav for their support and pride in me.

I am also thankful to Sandhya Mittal, my associate, for her constant help, suggestions and ever friendly behaviour that helped me to bind my work.

I avail the opportunity to thank my dear friends Anita Raj and Neha Rawat who with their never ending supply of views, questions and most important joyous company helped me in my progress towards my goal. I wish to express emotionally to my old friends who helped me by their sweet memories, to stay cool.
Last but not least, I would like to express much gratitude and love to my sweet nephew Aayaan. Finally, I acknowledge my grandparents, parents and siblings for their blessings, love, encouragement and never ending support.
