Acknowledgement

I would like to convey my earnest gratitude to my supervisor and guide Dr. (Mrs.) Ruma Pal for her genuine advice, guidance, motivation and constructive criticism.

I am thankful to Heads of Botany Department, Prof. S.K Dutta, Prof B.Dey, Prof S.Bera and Programme Coordinator, CAS, Department of Botany, C. U., Prof. (Mrs.) S. Jha for giving me facilities whenever needed. I thank Prof. N.D Paria, Dr. M Poddar Sarkar, Dr. R Kundu and Dr. M Banerjee for their encouragement and support. I would like to acknowledge the department’s assistance for helping me whenever I asked for.

I am sincerely grateful to Dr. Asish Kr. Sen, Department of Chemistry, Indian Institute of Chemical Biology for his untiring supervision and for providing me unconditional instrumental facility. Without this help, throughout the tenure, the chemical study would never been completed.

I thankfully acknowledge Department of Science and Technology, West Bengal for their financial support as JRF and SRF.

I would like to thank my seniors Dr. Arpita Mukhopadhyay, Dr. Nabanita Chakraborty, Dr. Avik Kumar Choudhury, Dr. Sudeshna Sen Roy, Dr. Nilofer Khatoon of Phycology laboratory for their endless support and help during the tenure of my Ph. D. work. My Special thanks go to my batch mate Ms Panchali Bhattacharya for being a true friend. I wish to mention my loving juniors Dipannita Parial, Gour Gopal Satpati, Nirupam Barman and Piya Roychoudhury for lending their hands whenever needed. I am thankful to Mr. Sujit Kar and Mr. Arup Kar for their necessary assistance. I also thank some other scholars of the department for their sincere support.

I am indebted to the scholars Swarbhanu Sarkar and Samrat Dutta of IICB, for their tireless cooperation and helpful suggestion to understand new techniques of chemical experiments.

I do not have enough words to express my love and gratitude to my parents Mrs. Shikha Chakraborty and Mr. B.P Chakraborty for their patience, sacrifice, untiring support and continuous encouragement which guided me through the ups and downs of this journey. My
heartfelt gratitude goes to my mother and father in law, Mrs. Kabita Ghatak and Mr. S.S Ghatak, respectively, for their support and consideration. I also thank other family members, in laws and all well wishers for believing in me.

My deepest appreciation goes to my husband Sukalyan Ghatak for his patience, inspiration and for making me realize my mistakes and special thanks to my beloved little son, Sudipyan for being so understanding and undemanding.

Above all, I am grateful to the Almighty who has illuminated the path for me.

Tania Chakraborty
