ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude and indebtedness to Dr. Yusuf Ali Jamadar, Reader in Marine Science, University of Calcutta, under whose able supervision, constant guidance and encouragements, this work was completed.

I am extremely grateful to Prof. A. Choudhury, Department of Marine Science, and Prof. N.C. Dutta, Department of Zoology, Calcutta University for their counsels.

Indeed I am indebted to the National Bank for Agriculture and Rural Development, for encouragement and support to carry out higher studies.

I express my profound sense of gratitude to Dr. D.N. Borthakur, Ex-Director, I.C.A.R. Research complex for N.E.H. Region, Shillong, and Ex-Vice Chancellor, Assam Agriculture University, for permitting me to utilise the field and laboratory facilities of the Institute for carrying out studies on the indigenous game fish of the region. He had been a continuous source of inspiration and provided all possible help in creating the required infrastructural facilities specific to this field of study.

I must not fail to remember Prof. S.A.K. Nasar, Department of Life Science, North-Eastern Hill University, Shillong and Prof. S. C. Dey, Department of Zoology, Guwahati
University, who have been the guiding force and from whom I have imbibed so much.

I am extremely thankful to Dr. D.K. Dey, Sr. Scientist, C.I.F.R.I., Barrackpore, for allowing me to use the Library facilities of the Institute.

I express my gratitude to Dr. V.A. Parthasarathy, Sr. Scientist, I.C.A.R. Research complex, Shillong and Dr. R.S. Biradar, Sr. Scientist, Central Institute of Fisheries Education, Versova, Bombay, who provided valuable services in statistical analysis of the data.

I shall be failing in my duty if I do not express my gratitude to Dr. K. Palanisamy, Assistant Manager, NABARD, Bombay, who had rendered yeoman service in data processing.

I am highly thankful to Shri Pradeep Karande, who has rendered invaluable service in Word Processing.
