ACKNOWLEDGEMENTS

Completion of the work has been possible due to kind help, assiduous guidance and keen interest of Dr. N. B. Chatterjee, Reader in Zoology, Department of Zoology, University of Calcutta to whom the author expresses her sincere gratitude.

The author is grateful to late Professor D. N. Raychaudhuri, formerly Head of the Department of Zoology, for his encouragement. Thanks are due to Professor A. S. Mukherjee, Head of the Department of Zoology, Calcutta University and to Professor Asok Ghosh and Professor K. C. Ghose, former Heads of the Department of Zoology for providing necessary facilities.

The author is extremely grateful to the Director of Agriculture, Government of West Bengal for providing necessary permission and requisite facilities, and to Dr. D. K. Nath, State Entomologist, Department of Agriculture, Government of West Bengal for valuable suggestions and generous help. The author is thankful to Dr. S. Biswas, Joint Director, Rice and Development Wing, Department of Agriculture, Government of West Bengal and to Dr. P. B. Chatterjee, Entomologist, AICRIP, for their generous help.

The author expresses her sincere thanks to Dr. S. Mullick, Shri D. Sarkar, Shri S. C. Sen, Shri S. De, Shri B. Banerjee and Shri N. K. Mitra for their co-operation and to all colleagues of the Entomology Laboratory, Department of Zoology, University of Calcutta, for their kind help.

The author expresses her gratitude to her affectionate mother, loving husband, dear brothers Sujit and Dolon and to her little son Indranil for rendering inspiration and mental support which actuate the author to finish the work.

Though last but not the least thanks are due to Dr. Rabin Sur for photography and Shri Samar Ghosh for typing the manuscripts.
