Acknowledgements

It gives me a great pleasure to write the ‘acknowledgement’ of my thesis which means that I have reached the last rung of my thesis ladder. Definitely, being a human, it was not possible for me to reach it without the support and guidance of others. So, I must acknowledge their assistance and guidance. First of all I must extend my deepest gratitude to late Dr Iqbal Sabir, whose interest in Kashmir affairs and Shaikh Mohammad Abdullah was directly responsible for my undertaking a thesis on this subject, for his patience, encouragement and questioning in directing me so that I could pursue this study to its completion. But unfortunately he could not survive to see it in the present form. He died as he lived in search of truth. May Allah rest his soul in peace. I also must thank his family for their affection. I would like to acknowledge my thanks and appreciation to Prof. Tariq Ahmed, supervisor of my thesis, for his guidance and assistance at every stage in the preparation of this thesis. Even though he became my second supervisor, he took a keen interest in the subject and offered many suggestions which helped the study. A very special thank you with respect to you Sir, for without your cooperation and guidance this thesis could not have been completed.

I am greatly indebted to Dr Sanuallah Parwaz for his parental guidance. Given his expertise on Kashmir and his in-depth study, proved a good sounding board. I owe a special debt to the invaluable suggestions provided to me by Prof. Mohammad Ahraf Wani, Prof. Ayesha Jalal [through emails], Prof. Ramachandra Guha, Prof Mushtaq Ahmad, Prof. Jigar Mohammad, Dr Anisa, Dr Javid-ul Aziz, Dr Sajad Ahmad, Dr Ab. Hamid Wani, and Dr Hayat Amir.
I am institutionally indebted to Allama Iqbal Library of Kashmir University, Research and Publications Department Government of J & K (Srinagar), Nawa-i-Subuh Library of National Conference (Srinagar), Maulana Azad Library of Aligarh Muslim University, Seminar Library, Centre of Advanced Study, Department of History (A.M.U), Seminar Library, Department of History (Kashmir University) and Seminar Library, Department of Political Science (A.M.U). I am grateful to the assistance provided by the staff of Jammu and Kashmir State Archives (Srinagar and Jammu), Information Department Government of Jammu and Kashmir (Srinagar), Nehru Memorial Museum and Library (New Delhi) and National Archives of India (New Delhi). Despite the war like situation in Kashmir in the summer of 2009, Ms Shabehena of Archives Library Srinagar and Ab, Ghaffar and Ms Farida of Research Library, Information Department, Srinagar, provided access to the material. I extend my sincere thanks for their assistance and cooperation in that volatile situation. I would also like to thank Mr Ali Mohammad Khan for making available to me a rare book.

I am very grateful to my parents for their constant and unquestioning support, and specially to my mother, for her never failing moral encouragement and inspiration. I wish I had more to share in return. I would also like to record my gratitude to my brother, sister and uncle’s family, specially Falak, for their support and encouragement during the period of this study. I wish to express my sincere thanks to VM brothers, amongst many others, for their assistance in proofreading, editing and typing the manuscript. Finally I wish to extend my sincere gratitude to all who have wittingly or unwittingly helped me during this study.
