ACKNOWLEDGEMENT

I am grateful to our learned principal Dr. O.P. Singh. I wish to place on record my deep sense of gratitude and indebtedness to my supervisor Dr. D.K. Singh Department of Horticulture, U.P. College Varanasi and Co-Supervisor Dr. J. Dixit, Department of Vegetable Science, N.D.U.A.&I. Kumarganj, Faizabad for their inspiring guidance, untiring supervision, constructive criticism, continuous encouragement and critically going through the manuscript.

I am highly grateful to Dr. J.B. Singh, Head, Department of Horticulture, U.P. College, Varanasi and Dr. S.N. Singh, Reader, Department of Horticulture, U.P. College, Varanasi for their continuous encouragement.

I am thankful to my friends Shri Prashant Kumar, Shri Sarvesh Kumar and Shri Kamal Kumar (VPAS Almorah) for their persistent encouragement in preparation of this manuscript.

Lastly but not least, I am quite unable to find out adequate words to express my deepest sense of gratitude to my father Dr. J.S. Tripathi, mother Smt. Priyambada and younger brother Sri Geetesh for their inspiration, constant encouragement, moral and economical supports rendered throughout my education, for which I will remain indebted to them throughout my life.
