ACKNOWLEDGEMENTS

I have great pleasure in expressing my deep gratitude and indebtedness to Dr. A.K. Gupta (Supervisor), Reader, Department of Botany, Shri Baldeo P.G. College, Baragaon Varanasi for his continuous guidance, constant inspiration and kind affection during the course of the research work. His numerous suggestions, great interest and valuable criticism of my work have been a continuous source of encouragement.

I am deeply grateful to my co-supervisor Dr. M.P. Singh, Reader, Department of Botany, U.P. College (Autonomous institution), Varanasi for his kind interest, invaluable guidance and constant encouragement during the course of the work.

My sincere thanks are due to Prof. R.S. Ambasht, Emeritus scientist, Department of Botany B.H.U. Varanasi for his interest, continuous encouragement and useful suggestions in every phase of the work.

I am also thankful to Dr. B.B. Singh Principal, U.P. College, Varanasi and Mr. Indrasan Singh Principal, S.B.P.G. College, Baragaon, Varanasi, for providing necessary laboratory facilities in the Department of Botany.

I also wish to thank Mr. Vaibhav Tiwari (SRF) School of Biotechnology, B.H.U. Varanasi for giving me lively company, co-operation and taking continuous interest in the development of the work.

I also wish to pay my sincere regards to my parents, brothers and sister for their kind co-operation and moral support.

Santosh Kumar Verma
