Acknowledgement

The completion of this study has given me an opportunity to thank all those who have made a difference.

First and foremost I thank God who gave me the opportunity to work in this institution and work under with some very talented people. My sincere thanks to my supervisor Dr. Saroj Verma, Reader, Department of Psychology, Faculty of Social Science, BHU, Varanasi for believing in me and always encouraging me. Her pleasant persona and encouraging words boosted me to take up and do work which I would have never thought I could do. It has been a great pleasure to work under her guidance. As my supervisor, her constant supervision, constructive criticism and valuable advice have all contributed towards successful completion of this study.

I am deeply indebted to Dr. Madhu Asthana, Principal, Sri Agra sen Kanya PG College, (Autonomous) Varanasi, who patiently discussed and sorted out all the intricacies of my thesis. I could always bank on her to spare some of her valuable time to solve a problem, however trivial or large it might be, that cropped up during the course of this work. The affection they have bestowed on me during the entire phase of this work gave me an added enthusiasm.

I also take this opportunity to thank Dr. O.P. Chaudhary, Head, Department of Psychology, Sri Agra sen Kanya PG College, (Autonomous) Varanasi for their enthusiastic support and improving the standard of our
academics. It is from him that I have learned the important of discipline, good manner, and above all the value of time.

I am grateful to Dr. Sandhya Ojha, Dr. M.G. Rai, Dr. Shashibala, Dr. Anuradha and Dr. Manjari Srivastava for their valuable suggestions, support and encouragement throughout the study.

I cannot forget to thank Prof. Chandra Sen, Department of Agricultural-Economics, BHU, Varanasi, Dr. Rakesh Pandey, Reader and Dr. Purnima Lecturer, Department of Psychology, BHU, Varanasi for helping me out in tough situations.

I am grateful to Principals and Directors of different colleges and coaching institutes for permitting me to collect the data.

I also express my gratitude and indebtedness to all those respondents who voluntarily participated in this study and I thank them for their kind cooperation.

I want to thank Dr. Dipti Agrwal, SMO, and Dr. Lavina Chaubey, MO, ART, Centre, BHU, Varanasi for their help and moral support.

I want to thank all my colleagues especially M.R. Bhuneshwari, Banani, Asha, Heena, Anamika, Mamata, Anil, Priti, Durga whose ideas immensely helped me to complete my thesis. My special thanks to Miss. Shwriti Srivatava, Ph.D. Scholar, Department of Pediatric, BHU, Varanasi for helping me in this study.

I would like to thank, Dr. Ajay Tiwari, Director, Nai Subah Varanasi, and Dr. H. K. Tripathi, MCS, Distt. Hospital, SRN, Bhadohi, who always support and encourage me as elder brother throughout the study.
Shri Ram Jatan Tiwari my father and Smt. Brijmohani Tiwari my mother extended their parental love and affection to ensure that remain cheerful for this endeavour. No amount of respectful regards can exactly express my feelings of gratitude to them. Mrs. Vandana Tiwari my wife also worthy of my thanks for their cooperation & support throughout the period of study. I wish to thank especially Mrs. Mala Upadhyay, my sister and Prince Kumar Mishra, sister's son.

I am sincerely thankful to Neeraj Dwivedi and Mahendra Kumar Mishra for help in typing this manuscript with utmost enthusiasm and meticulousness. He has tried to adjust to my impossible demands and acted like a friend.
